Under this USD 2,000,000,000 structured note programme (the "**Programme**") The Standard Bank of South Africa Limited (the "**Issuer**") may from time to time issue notes (the "**Notes**") denominated in any currency agreed by the Issuer and the Dealer. Notes issued under the Programme on or after the date hereof (the "**Programme Date**") are subject to the provisions described in this programme memorandum (the "**Programme Memorandum**"). This Programme Memorandum does not affect any Notes issued before the Programme Date and the relevant prior programme memoranda will continue to apply to such Notes, as applicable.

Capitalised terms used in this Programme Memorandum are defined in the section of this Programme Memorandum headed "*Terms and Conditions of the Notes*" (the "**Terms and Conditions**"), unless separately defined, and/or in relation to a Tranche of Notes, in the Applicable Pricing Supplement.

Under this Programme the Issuer may from time to time issue, without limitation, Fixed Rate Notes, Floating Rate Notes, Mixed Rate Notes, Zero Coupon Notes, Indexed Notes, Credit Linked Notes, Equity Linked Notes and/or FX Linked Notes and/or such combination of the foregoing Notes and/or such other type of Notes as may be determined by the Issuer and the relevant Dealer(s) and specified in the Applicable Pricing Supplement. Notes will be issued in individual Tranches which, together with other Tranches, may form a Series of Notes. A Tranche of Notes will be issued on, and subject to, the Terms and Conditions, as replaced, amended and/or supplemented by the terms and conditions of that Tranche of Notes set out in the Applicable Pricing Supplement. Save as set out herein, the Notes will not be subject to any minimum or maximum maturity and the maximum aggregate Nominal Amount of all Notes from time to time outstanding will not exceed USD 2,000,000,000.

This Programme Memorandum constitutes a prospectus for purposes of Part IV of the Luxembourg law on prospectuses for securities dated 16 July 2019. This Programme Memorandum should be used for the purpose for which it is published.

This Programme Memorandum has been approved by the Luxembourg Stock Exchange for a period of one year in connection with the admission to the Official List of the Luxembourg Stock Exchange and to trading on the Luxembourg Stock Exchange's Euro MTF (the "**Euro MTF**") of Notes issued by the Issuer on the Official List of the Luxembourg Stock Exchange's Euro MTF. A Tranche of Notes may be listed on the Euro MTF or on such other or additional Financial Exchange(s) as may be selected by the Issuer and the relevant Dealer (as defined below), subject to all Applicable Laws. Unlisted Notes may also be issued under the Programme.

As at the Programme Date, the Notes to be issued under this Programme are not rated by any rating agency. From time to time the Notes issued under this Programme may be individually rated. The rating assigned to the Issuer and/or the Programme and/or the Notes, as the case may be, as well as the rating agency(ies) which assigned such rating(s), will be specified in the Applicable Pricing Supplement and made available on the Issuer's website at www.standardbank.co.za. The Issuer may issue Notes in a form not contemplated by the Terms and Conditions of the Notes herein, in which event a supplementary Programme Memorandum, if appropriate, will be made available, which will describe the effect of the agreement reached in relation to such Notes.

This Programme Memorandum shall supersede and replace the Programme Memorandum dated 9 September 2025.

Expressions defined in this Programme Memorandum shall bear the same meanings in supplements to this Programme Memorandum which do not themselves contain their own definitions.

The Issuer accepts responsibility for the information given in this Programme Memorandum and confirms that, having taken all reasonable care to ensure that such is the case, the information contained in this Programme Memorandum is, to the best of its knowledge, in accordance with the facts and does not omit anything likely to affect its import.

This Programme Memorandum is to be read in conjunction with all documents which are deemed to be incorporated herein by reference (see the section headed "*Documents Incorporated by Reference*"). This Programme Memorandum shall be read and construed on the basis that such documents are incorporated by reference into and form part of this Programme Memorandum.

The Issuer does not intend to provide post-issuance information.

None of the Arranger, the Dealer or any of their professional advisers has separately verified the information contained herein. Accordingly, no representation, warranty or undertaking, express or implied, is made and no responsibility is accepted by any of the Arranger, the Dealer or other professional advisers as to the accuracy or completeness of the information contained in this Programme Memorandum or any other information provided by the Issuer. None of the Arranger, the Dealer or any of their professional advisers accept any liability in relation to the information contained in this Programme Memorandum or any other information provided by the Issuer in connection with the Programme.

No person has been authorised to give any information or to make any representation not contained in or not consistent with this Programme Memorandum or any other information supplied in connection with the Programme and, if given or made, such information or representation must not be relied upon as having been authorised by the Issuer, the Arranger or any Dealer.

Neither this Programme Memorandum nor any other information supplied in connection with the Programme is intended to provide a basis for any credit or other evaluation, or should be considered as a recommendation by the Issuer that any recipient of this Programme Memorandum or any other information supplied in connection with the Programme, should purchase any Notes.

Each investor contemplating the purchase of any Notes should make its own independent investigation of the financial condition and affairs, and its own appraisal of the condition (financial or otherwise), of the Issuer. Neither this Programme Memorandum nor any other information supplied in connection with the Programme constitutes an offer or invitation by or on behalf of the Issuer to any person to subscribe for or to purchase any Notes.

The delivery of this Programme Memorandum does not at any time imply that the information contained herein concerning the Issuer is correct at any time subsequent to the date hereof or that any other financial statements or other information supplied in connection with the Programme is correct as at any time subsequent to the date indicated in the document containing the same. Investors should review, among others, the most recent financial statements of the Issuer when deciding whether or not to purchase any Notes.

This Programme Memorandum does not constitute an offer to sell or the solicitation of an offer to buy any Notes in any jurisdiction to any person to whom it is unlawful to make the offer or solicitation in such jurisdiction.

The distribution of this Programme Memorandum and the offer or sale of Notes may be restricted by law in certain jurisdictions. Persons into whose possession this Programme Memorandum or any Notes come must inform themselves about, and observe, any such restrictions. In particular, there are restrictions on the distribution of this Programme Memorandum and the offer or sale of Notes in the United States of America (also referred to in this Programme Memorandum as the "United States"), the United Kingdom, the Republic of South Africa (also referred to in this Programme Memorandum as "South Africa") and certain other jurisdictions (see the section headed "*Subscription and Sale*"). The Issuer does not represent that this Programme Memorandum may be lawfully distributed, or that any Notes may be lawfully offered, in compliance with any applicable registration or other requirements in any such jurisdiction, or pursuant to an exemption available there under, nor does it assume any responsibility for facilitating any such distribution or offering. In particular, no action has been taken by the Issuer which would permit a public offering of any Notes or distribution of this document in any jurisdiction where action for that purpose is required. Accordingly, no Notes may be offered or sold, directly or indirectly, and neither this Programme Memorandum nor any advertisement or other offering material may be distributed or published in any jurisdiction, except under circumstances that will result in compliance with any Applicable Law and regulations.

Notes have not been and will not be registered under the United States Securities Act of 1933 (as amended) (the Securities Act) and Bearer Notes are subject to U.S. tax law requirements. Subject to certain exceptions, Notes may not be offered, sold or delivered within the United States of America or to U.S. persons (as defined in Regulation S under the Securities Act) except in accordance with Regulation S under the Securities Act.

This Programme Memorandum has been prepared on the basis that any offer of Notes in any Member State of the European Economic Area (the "EEA") will be made pursuant to an exemption under Regulation (EU) 2017/1129 as amended (the "EU Prospectus Regulation") from the requirement to publish a prospectus for offers of Securities. Accordingly, any person making or intending to make an offer in that Member State of Securities which are the subject of an offering contemplated in this Programme Memorandum as completed by an Applicable Pricing Supplement in relation to the offer of those Notes may only do so in circumstances in which no obligation arises for the Issuer or the Dealers to publish a prospectus pursuant to Article 3 of the EU Prospectus Regulation or supplement a prospectus pursuant to Article 23 of the EU Prospectus Regulation, in each case, in relation to such offer. Neither the Issuer nor the Dealer has authorised, nor do they authorise, the making of any offer of Notes in circumstances in which an obligation arises for the Issuer to publish a prospectus for such offer.

This Programme Memorandum has been prepared on the basis that any offer of Notes in the United Kingdom (the "UK") will be one or more kinds of offer specified in Part 1 of Schedule 1 to the Public Offers and Admissions to Trading Regulations 2024 (the "POATRs"). Accordingly, any person making or intending to make an offer in United Kingdom of Securities which are the subject of an offering contemplated in this Programme Memorandum as completed by an Applicable Pricing Supplement in relation to the offer of those Notes may only do so where such offer is one or more of the kinds of offer specified in Part 1 of Schedule 1 to the POATRs.

The Notes are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the UK. For these purposes, a retail investor means a person who is one (or both) of: (i) not a professional client,

as defined in point (8) of Article 2(1) of Regulation (EU) No 600/2014 **as it forms part of domestic law by virtue of the EUWA; or (ii) not a qualified investor as defined in paragraph 15 of Schedule 1 to the Public Offers and Admissions to Trading Regulations 2024 (the "POATRs")** **Consequently no disclosure document required by the FCA Product Disclosure Sourcebook (the "DISC") for offering, selling or distributing the Notes or otherwise making them available to retail investors in the UK has been prepared and therefore offering, selling or distributing the Notes or otherwise making them available to any retail investor in the UK may be unlawful under the DISC and the Consumer Composite Investments (Designated Activities) Regulations 2024.**

The Notes are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the EEA. For these purposes, a retail investor means a person who is one (or more) of (i) a retail client as defined in point (11) of Article 4(1) of Directive 2014/65/EU (as amended, "EU MiFID II"); (ii) a customer within the meaning of Directive (EU) 2016/97 (as amended, the "Insurance Distribution Directive"), where that customer would not qualify as a professional client as defined in point (10) of Article 4(1) of EU MiFID II; or (iii) not a qualified investor as defined in the Prospectus Regulation. Consequently, no key information document required by Regulation (EU) No 1286/2014 (as amended, the "PRIIPs Regulation") for offering or selling the Notes or otherwise making them available to retail investors in the EEA has been prepared and therefore offering or selling the Notes or otherwise making them available to any retail investor in the EEA may be unlawful under the PRIIPs Regulation.

All references in this document to **U.S. Dollars, USD and US\$** are to the lawful currency of the United States of America.

In connection with the issue and distribution of any Tranche of Notes, the Issuer or a dealer disclosed as the approved stabilisation manager (if any) or any person acting for it (the Stabilisation Manager) in the Applicable Pricing Supplement may, subject to the terms and conditions for stabilisation contained in the Applicable Pricing Supplement, over-allot or effect transactions with a view to supporting the market price of the Notes at a level higher than that which might otherwise prevail for a limited period after the issue date. However, there may be no obligation on the Stabilisation Manager or any of its agents to do this. Such stabilising, if commenced, may be discontinued at any time and must be brought to an end after a limited period and is to be carried out in accordance with all Applicable Laws and regulations.

The price/yield, amount and allocation of Notes to be issued under this Programme will be determined by the Issuer at the time of issue, in accordance with the prevailing market conditions.

By its acquisition of a Note, an investor in Equity Linked Notes linked to Shares of Share Companies is deemed to represent to the Issuer that:

- (a) it is not doing so based on inside information as contemplated in any legislation or regulations governing insider trading or any comparable legislation or regulation in any applicable jurisdiction;
- (b) it is not involved in any form of market manipulation or market abuse as contemplated in any legislation or regulations governing market manipulation or market abuse or any comparable legislation or regulation in any applicable jurisdiction;
- (c) it is not in possession of information relating directly or indirectly to a Share and/or Share Company which has not been made public and which if it were made public would be likely either to be used by a reasonable investor to make investment decisions in respect of the relevant Share or to have a significant effect on the price of the relevant Shares; and

- (d) it has complied with all disclosure and reporting requirements involving the relevant Shares and the relevant Share Company, which may be relevant to the acquisition or selling of the Equity Linked Note in accordance with applicable legal and regulatory provisions or in accordance with any securities exchange regulation including disclosure requirements imposed under market abuse rules or legal and regulatory provisions relating to the transparency of shareholding of Share Companies listed in any applicable jurisdiction.

GENERAL DESCRIPTION OF THE PROGRAMME

Capitalised terms used in this section headed "General Description of the Programme" shall have the same meaning as defined in the Terms and Conditions, unless they are defined in this section or this is clearly inappropriate from the context.

Under the Programme, the Issuer may from time to time issue Notes denominated in the currency specified in the Applicable Pricing Supplement. The applicable terms of any Notes will be set out in the Terms and Conditions incorporated by reference into the Notes, as modified and supplemented by the Applicable Pricing Supplement relating to the Notes and any supplementary Programme Memorandum. A summary of the Programme and the Terms and Conditions appears in the section of this Programme Memorandum headed "*Summary of the Programme*".

As at the Programme Date, the Programme Amount is USD 2,000,000,000 (or its equivalent in such other currency or currencies as Notes are issued). This Programme Memorandum will only apply to Notes issued under the Programme in an aggregate Nominal Amount Outstanding which does not exceed the Programme Amount, unless such amount is increased as set out below. For the purpose of calculating the aggregate Nominal Amount of Notes Outstanding issued under the Programme from time to time:

- (a) the USD equivalent of Notes denominated in another currency shall be determined at or about the time of the issue of such Notes on the basis of the spot rate at such time for the sale of such USD amount against the purchase of such currency or unit of account in the London inter-bank foreign exchange markets, as quoted by the Issuer or by any leading bank selected by the Issuer;
- (b) the amount of Indexed Notes, Equity Linked Notes and Partly Paid Notes shall be calculated by reference to the original nominal amount of such Notes (and, in the case of Partly Paid Notes, regardless of the subscription price paid); and
- (c) the amount of Zero Coupon Notes and Other Notes issued at a discount or premium shall be calculated by reference to the Nominal Amount of the relevant issue.

From time to time, the Issuer may wish to increase the Programme Amount. Subject to the Applicable Procedures, the Programme Agreement and all Applicable Laws, the Issuer may, without the consent of Noteholders, increase the Programme Amount by delivering notice thereof to (i) Noteholders, (ii) the relevant Financial Exchange(s), (iii) the Transfer, Paying and Calculation Agents, and (iv) the Arranger in accordance with the Applicable Procedures. Upon such notices being given, all references in the Programme Memorandum or any other agreement, deed or document in relation to the Programme, to the Programme Amount, shall be, and shall be deemed to be, references to the increased Programme Amount.

Investing in the Notes involves certain risks (see the section of this Programme Memorandum headed "*Risk Factors*" in the Risk Factor & Other Disclosures Schedule incorporated by reference).

SUMMARY OF THE PROGRAMME

The following summary does not purport to be complete and is taken from, and is qualified by, the remainder of this Programme Memorandum and, in relation to the Terms and Conditions of any particular Tranche of Notes, the Applicable Pricing Supplement. Capitalised words used in this section headed "Summary of the Programme" shall have the same meanings as defined in the Terms and Conditions, unless they are defined in this section or this is clearly inappropriate from the context.

FORM OF THE NOTES

The Notes of each Series will be in either bearer form, with or without interest coupons attached, or registered form, without interest coupons attached.

Bearer Notes

Each Tranche of Notes in bearer form ("**Bearer Notes**") will initially be in the form of either a temporary global note in bearer form (the "**Temporary Global Note**"), without interest coupons, or a permanent global note in bearer form (the "**Permanent Global Note**"), without interest coupons, in each case as specified in the Applicable Pricing Supplement. Each Temporary Global Note or, as the case may be, Permanent Global Note (each a "**Global Note**") will be deposited on or around the issue date of the relevant Tranche of the Notes with a depositary or a common depositary for Euroclear Bank S.A./N.V. as operator of the Euroclear System ("**Euroclear**") and/or Clearstream Banking, S.A., Luxembourg ("**Clearstream, Luxembourg**") and/or any other relevant clearing system.

In the case of each Tranche of Bearer Notes, the relevant Pricing Supplement will also specify whether United States Treasury Regulation §1.163-5(c)(2)(i)(C) (the "**TEFRA C Rules**") or United States Treasury Regulation §1.163-5(c)(2)(i)(D) (the "**TEFRA D Rules**") are applicable in relation to the Notes or, if the Notes do not have a maturity of more than 365 days, that neither the TEFRA C Rules nor the TEFRA D Rules are applicable.

Temporary Global Note exchangeable for Permanent Global Note

If the relevant Pricing Supplement specifies the form of Notes as being "Temporary Global Note exchangeable for a Permanent Global Note", then the Notes will initially be in the form of a Temporary Global Note which will be exchangeable, in whole or in part, for interests in a Permanent Global Note, without interest coupons, not earlier than 40 days after the issue date of the relevant Tranche of the Notes upon certification as to non-U.S. beneficial ownership. No payments will be made under the Temporary Global Note unless exchange for interests in the Permanent Global Note is improperly withheld or refused. In addition, interest payments in respect of the Notes cannot be collected without such certification of non-U.S. beneficial ownership.

Whenever any interest in the Temporary Global Note is to be exchanged for an interest in a Permanent Global Note, the Issuer shall procure (in the case of first exchange) the delivery of a Permanent Global Note to the bearer of the Temporary Global Note or (in the case of any subsequent exchange) an increase in the principal amount of the Permanent Global Note in accordance with its terms against:

- (i) presentation and (in the case of final exchange) presentation and surrender of the Temporary Global Note to or to the order of the Principal Paying Agent; and
- (ii) receipt by the Principal Paying Agent of a certificate or certificates of non-U.S. beneficial ownership.

The principal amount of Notes represented by the Permanent Global Note shall be equal to the aggregate of the principal amounts specified in the certificates of non-U.S. beneficial ownership **provided, however, that** in no circumstances shall the principal amount of Notes represented by the Permanent Global Note exceed the initial principal amount of Notes represented by the Temporary Global Note.

If:

- (a) the Permanent Global Note has not been delivered or the principal amount thereof increased by 5.00 p.m. (London time) on the seventh day after the bearer of the Temporary Global Note has requested exchange of an interest in the Temporary Global Note for an interest in a Permanent Global Note; or

- (b) the Temporary Global Note (or any part thereof) has become due and payable in accordance with the Terms and Conditions of the Notes or the date for final redemption of the Temporary Global Note has occurred and, in either case, payment in full of the amount of principal falling due with all accrued interest thereon has not been made to the bearer of the Temporary Global Note in accordance with the terms of the Temporary Global Note on the due date for payment,

then the Temporary Global Note (including the obligation to deliver a Permanent Global Note) will become void at 5.00 p.m. (London time) on such seventh day (in the case of (a) above) or at 5.00 p.m. (London time) on such due date (in the case of (b) above) and the bearer of the Temporary Global Note will have no further rights thereunder (but without prejudice to the rights which the bearer of the Temporary Global Note or others may have under the Deed of Covenant).

The Permanent Global Note will become exchangeable, in whole but not in part only and at the request of the bearer of the Permanent Global Note, for Bearer Notes in definitive form ("**Definitive Notes**") if either of the following events occurs:

- (i) Euroclear or Clearstream, Luxembourg have been closed for a continuing period of 14 days (other than by reason of holiday, statutory or otherwise) or have announced an intention permanently to cease business or have in fact done so and no successor clearing system is available; or
- (ii) any of the circumstances described in Condition 15 (*Events of Default*) occurs.

Whenever the Permanent Global Note is to be exchanged for Definitive Notes, the Issuer shall procure the prompt delivery (free of charge to the bearer) of such Definitive Notes, duly authenticated and with Coupons and Talons attached (if so specified in the Pricing Supplement), in an aggregate principal amount equal to the principal amount of Notes represented by the Permanent Global Note to the bearer of the Permanent Global Note against the surrender of the Permanent Global Note to or to the order of the Principal Paying Agent within 30 days of the bearer requesting such exchange.

If:

- (a) Definitive Notes have not been duly delivered by 5.00 p.m. (London time) on the thirtieth day after the bearer has requested exchange of the Permanent Global Note for Definitive Notes; or
- (b) the Permanent Global Note was originally issued in exchange for part only of a Temporary Global Note representing the Notes and such Temporary Global Note becomes void in accordance with its terms; or
- (c) the Permanent Global Note (or any part thereof) has become due and payable in accordance with the Terms and Conditions of the Notes or the date for final redemption of the Permanent Global Note has occurred and, in either case, payment in full of the amount of principal falling due with all accrued interest thereon has not been made to the bearer in accordance with the terms of the Permanent Global Note on the due date for payment,

then the Permanent Global Note (including the obligation to deliver Definitive Notes) will become void at 5.00 p.m. (London time) on such thirtieth day (in the case of (a) above) or at 5.00 p.m. (London time) on the date on which such Temporary Global Note becomes void (in the case of (b) above) or at 5.00 p.m. (London time) on such due date ((c) above) and the bearer of the Permanent Global Note will have no further rights thereunder (but without prejudice to the rights which the bearer of the Permanent Global Note or others may have under the Deed of Covenant).

Temporary Global Note exchangeable for Definitive Notes

If the relevant Pricing Supplement specifies the form of Notes as being "Temporary Global Note exchangeable for Definitive Notes" and also specifies that the TEFRA C Rules are applicable or that neither the TEFRA C Rules or the TEFRA D Rules are applicable, then the Notes will initially be in

the form of a Temporary Global Note which will be exchangeable, in whole but not in part, for Definitive Notes not earlier than 40 days after the issue date of the relevant Tranche of the Notes.

If the relevant Pricing Supplement specifies the form of Notes as being "Temporary Global Note exchangeable for Definitive Notes" and also specifies that the TEFRA D Rules are applicable, then the Notes will initially be in the form of a Temporary Global Note which will be exchangeable, in whole or in part, for Definitive Notes not earlier than 40 days after the issue date of the relevant Tranche of the Notes upon certification as to non-U.S. beneficial ownership. Interest payments in respect of the Notes cannot be collected without such certification of non-U.S. beneficial ownership.

Whenever the Temporary Global Note is to be exchanged for Definitive Notes, the Issuer shall procure the prompt delivery (free of charge to the bearer) of such Definitive Notes, duly authenticated and with Coupons and Talons attached (if so specified in the relevant Pricing Supplement), in an aggregate principal amount equal to the principal amount of the Temporary Global Note to the bearer of the Temporary Global Note against the surrender of the Temporary Global Note to or to the order of the Principal Paying Agent within 30 days of the bearer requesting such exchange.

If:

- (a) Definitive Notes have not been duly delivered by 5.00 p.m. (London time) on the thirtieth day after the bearer has requested exchange of the Temporary Global Note for Definitive Notes; or
- (b) the Temporary Global Note (or any part thereof) has become due and payable in accordance with the Terms and Conditions of the Notes or the date for final redemption of the Temporary Global Note has occurred and, in either case, payment in full of the amount of principal falling due with all accrued interest thereon has not been made to the bearer in accordance with the terms of the Temporary Global Note on the due date for payment,

then the Temporary Global Note (including the obligation to deliver Definitive Notes) will become void at 5.00 p.m. (London time) on such thirtieth day (in the case of (a) above) or at 5.00 p.m. (London time) on such due date (in the case of (b) above) and the bearer of the Temporary Global Note will have no further rights thereunder (but without prejudice to the rights which the bearer of the Temporary Global Note or others may have under the Deed of Covenant).

Permanent Global Note exchangeable for Definitive Notes

If the relevant Pricing Supplement specifies the form of Notes as being "Permanent Global Note exchangeable for Definitive Notes", then the Notes will initially be in the form of a Permanent Global Note which will be exchangeable in whole, but not in part, for Definitive Notes if either of the following events occurs:

- (i) Euroclear or Clearstream, Luxembourg have been closed for a continuing period of 14 days (other than by reason of holiday, statutory or otherwise) or have announced an intention permanently to cease business or have in fact done so and no successor clearing system is available; or
- (ii) any of the circumstances described in Condition 15 (*Events of Default*) occurs.

Whenever the Permanent Global Note is to be exchanged for Definitive Notes, the Issuer shall procure the prompt delivery (free of charge to the bearer) of such Definitive Notes, duly authenticated and with Coupons and Talons attached (if so specified in the Pricing Supplement), in an aggregate principal amount equal to the principal amount of Notes represented by the Permanent Global Note

to the bearer of the Permanent Global Note against the surrender of the Permanent Global Note to or to the order of the Principal Paying Agent within 30 days of the bearer requesting such exchange.

If:

- (a) Definitive Notes have not been duly delivered by 5.00 p.m. (London time) on the thirtieth day after the bearer has requested exchange of the Permanent Global Note for Definitive Notes; or
- (b) the Permanent Global Note (or any part thereof) has become due and payable in accordance with the Terms and Conditions of the Notes or the date for final redemption of the Permanent Global Note has occurred and, in either case, payment in full of the amount of principal falling due with all accrued interest thereon has not been made to the bearer in accordance with the terms of the Permanent Global Note on the due date for payment,

then the Permanent Global Note (including the obligation to deliver Definitive Notes) will become void at 5.00 p.m. (London time) on such thirtieth day (in the case of (a) above) or at 5.00 p.m. (London time) on such due date ((b) above) and the bearer of the Permanent Global Note will have no further rights thereunder (but without prejudice to the rights which the bearer of the Permanent Global Note or others may have under the Deed of Covenant).

Rights under Deed of Covenant

Under the Deed of Covenant, persons shown in the records of Euroclear and/or Clearstream, Luxembourg and/or any other relevant clearing system as being entitled to an interest in a Temporary Global Note or a Permanent Global Note which becomes void will acquire directly against the Issuer all those rights to which they would have been entitled if, immediately before the Temporary Global Note or Permanent Global Note became void, they had been the holders of Definitive Notes in an aggregate principal amount equal to the principal amount of Notes they were shown as holding in the records of Euroclear and/or Clearstream, Luxembourg and/or any other relevant clearing system.

Terms and Conditions applicable to the Notes

The terms and conditions applicable to any Definitive Note will be endorsed on that Note and will consist of the terms and conditions set out under "Terms and Conditions of the Notes" below and the provisions of the relevant Pricing Supplement which complete those terms and conditions.

The terms and conditions applicable to any Note in global form will differ from those terms and conditions which would apply to the Note were it in definitive form.

Legend concerning United States persons

In the case of any Tranche of Bearer Notes having a maturity of more than 365 days, the Notes in global form, the Notes in definitive form and any Coupons and Talons appertaining thereto will bear a legend to the following effect:

"Any United States person who holds this obligation will be subject to limitations under the United States income tax laws, including the limitations provided in Sections 165(j) and 1287(a) of the Internal Revenue Code."

Registered Notes

Each Tranche of Registered Notes will be in the form of either individual Note Certificate in registered form ("**Individual Note Certificates**") or a global Note in registered form (a "**Global Registered Note Certificate**"), in each case as specified in the relevant Pricing Supplement. Each Global Registered Note Certificate will be deposited on or around the relevant issue date with a depositary or a common depositary for Euroclear and/or Clearstream, Luxembourg and/or any other

relevant clearing system and registered in the name of a nominee for such depository and will be exchangeable for Individual Note Certificates in accordance with its terms.

If the relevant Pricing Supplement specifies the form of Notes as being "Individual Note Certificates", then the Notes will at all times be in the form of Individual Note Certificates issued to each Noteholder in respect of their respective holdings.

If the relevant Pricing Supplement specifies the form of Notes as being "Global Registered Note Certificate exchangeable for Individual Note Certificates", then the Notes will initially be in the form of a Global Registered Note Certificate which will be exchangeable in whole, but not in part, for Individual Note Certificates if either of the following events occurs:

- (i) Euroclear or Clearstream, Luxembourg have been closed for a continuing period of 14 days (other than by reason of holiday, statutory or otherwise) or have announced an intention permanently to cease business or have in fact done so and no successor clearing system is available; or
- (ii) any of the circumstances described in Condition 15 (*Events of Default*) occurs.

Whenever the Global Registered Note Certificate is to be exchanged for Individual Note Certificates, the Issuer shall procure that Individual Note Certificates will be issued in an aggregate principal amount equal to the principal amount of the Global Registered Note Certificate within five business days of the delivery, by or on behalf of the registered holder of the Global Registered Note Certificate to the Registrar of such information as is required to complete and deliver such Individual Note Certificates (including, without limitation, the names and addresses of the persons in whose names the Individual Note Certificates are to be registered and the principal amount of each such person's holding) against the surrender of the Global Registered Note Certificate at the specified office of the Registrar.

Such exchange will be effected in accordance with the provisions of the Agency Agreement and the regulations concerning the transfer and registration of Notes scheduled thereto and, in particular, shall be effected without charge to any holder, but against such indemnity as the Registrar may require in respect of any tax or other duty of whatsoever nature which may be levied or imposed in connection with such exchange.

If:

- (a) Individual Note Certificates have not been delivered by 5.00 p.m. (London time) on the thirtieth day after they are due to be issued and delivered in accordance with the terms of the Global Registered Note Certificate; or
- (b) any of the Notes represented by a Global Registered Note Certificate (or any part of it) has become due and payable in accordance with the Terms and Conditions of the Notes or the date for final redemption of the Notes has occurred and, in either case, payment in full of the amount of principal falling due with all accrued interest thereon has not been made to the holder of the Global Registered Note Certificate in accordance with the terms of the Global Registered Note Certificate on the due date for payment,

then the Global Registered Note Certificate (including the obligation to deliver Individual Note Certificates) will become void at 5.00 p.m. (London time) on such thirtieth day (in the case of (a) above) or at 5.00 p.m. (London time) on such due date (in the case of (b) above) and the holder of the Global Registered Note Certificate will have no further rights thereunder (but without prejudice to the rights which the holder of the Global Registered Note Certificate or others may have under the Deed of Covenant). Under the Deed of Covenant, persons shown in the records of Euroclear and/or Clearstream, Luxembourg and/or any other relevant clearing system as being entitled to an interest in a Global Registered Note Certificate will acquire directly against the Issuer all those rights to which they would have been entitled if, immediately before the Global Registered Note Certificate became void, they had been the holders of Individual Note Certificates in an aggregate principal

amount equal to the principal amount of Notes they were shown as holding in the records of Euroclear and/or Clearstream, Luxembourg and/or any other relevant clearing system.

Interests in a Global Registered Note Certificate will be exchangeable (free of charge), in whole but not in part, for Individual Note Certificates without receipts, interest coupons or talons attached only in the limited circumstances.

Payments of principal, interest and any other amount in respect of the Global Registered Note Certificates will, in the absence of provision to the contrary, be made to the person shown on the Register (as defined in Condition 1 (*Interpretation and General Definitions*)) as the registered holder of the Global Registered Note Certificate. None of the Issuer, any Paying Agent or the Registrar will have any responsibility or liability for any aspect of the records relating to or payments or deliveries made on account of beneficial ownership interests in the Global Registered Note Certificates or for maintaining, supervising or reviewing any records relating to such beneficial ownership interests.

Payments of principal, interest or any other amount in respect of the Individual Note Certificates will, in the absence or provision to the contrary, be made to the persons shown on the Register on the relevant Record Date (as defined in Condition 14.5 (*Record Date*)) immediately preceding the due date for payment in the manner provided in that Condition.

Interests in a Global Registered Note Certificate will be exchangeable (free of charge), in whole but not in part, for Individual Note Certificates without receipts, interest coupons or talons attached only upon the occurrence of an Exchange Event. The Issuer will promptly give notice to Noteholders in accordance with Condition 17 (*Notices*) if an Exchange Event occurs. In the event of the occurrence of an Exchange Event, Euroclear and/or Clearstream, Luxembourg (acting on the instructions of any holder of an interest in such Global Registered Note Certificate) may give notice to the Registrar requesting exchange. Any such exchange shall occur not later than 10 (ten) days after the date of receipt of the first relevant notice by the Registrar. For these purposes, "**Exchange Event**" means that: (i) an Event of Default has occurred and is continuing; or (ii) the Issuer has been notified that both Euroclear and Clearstream, Luxembourg have been closed for business for a continuous period of 14 (fourteen) days (other than by reason of holiday, statutory or otherwise) or have announced an intention to permanently cease business or have in fact done so.

Terms and Conditions applicable to the Notes

The terms and conditions applicable to any Individual Note Certificate will be endorsed on that Individual Note Certificate and will consist of the terms and conditions set out under "Terms and Conditions of the Notes" below and the provisions of the relevant Pricing Supplement which complete those terms and conditions.

The terms and conditions applicable to any Global Registered Note Certificate will differ from those terms and conditions which would apply to the Note were it in individual form.

PART A – CONTRACTUAL TERMS

This document constitutes the Applicable Pricing Supplement relating to the issue [and listing and admission to trading on the Luxembourg Stock Exchange's Euro MTF] of Notes described herein. The programme memorandum dated 8 September 2026 [and the Supplement[s] to the programme memorandum listed in the Annex hereto] ([as so supplemented,] the "**Programme Memorandum**") (as completed and (if applicable) amended by this Pricing Supplement) has been prepared on the basis that:

- (a) any offer of Notes in any Member State of the European Economic Area will be made pursuant to an exemption under the EU Prospectus Regulation from the requirement to publish a prospectus for offers of the Notes. The expression "**EU Prospectus Regulation**" means Regulation (EU) 2017/1129, as amended. Accordingly, any person making or intending to make an offer in that Member State of the Notes may only do so in circumstances in which no obligation arises for the Issuer or any Dealer to publish a prospectus pursuant to Article 3 of the EU Prospectus Regulation or supplement a prospectus pursuant to Article 23 of the EU Prospectus Regulation, in each case, in relation to such offer; and
- (b) any offer of Notes in the United Kingdom will be one or more kinds of offer specified in Part 1 of Schedule 1 to the POATRs. The expression "**POATRs**" means the Public Offers and Admissions to Trading Regulations 2024. Accordingly, any person making or intending to make an offer in the United Kingdom of the Notes may only do so where such offer is one or more of the kinds of offer specified in Part 1 of Schedule 1 to the POATRs.,

in each case, neither the Issuer nor any Dealer has authorised, nor do they authorise, the making of any offer of Notes in any other circumstances.

Terms used herein shall be deemed to be defined as such for the purposes of the terms and conditions (the "**Terms and Conditions**") set forth in the Programme Memorandum. This Pricing Supplement must be read in conjunction with such Programme Memorandum. To the extent that there is any conflict or inconsistency between the contents of this Pricing Supplement and the Programme Memorandum, the provisions of this Pricing Supplement shall prevail.

Risks in respect of the ISDA Rate

The ISDA Rate in respect of each Interest Period is determined by reference to the Secured Overnight Financing Rate ("**SOFR**") compounded in respect of the relevant Interest Period.

Reliance on the Secured Overnight Financing Rate to determine the rate of interest may adversely affect the return on and the market value of the Notes

Because SOFR is published by Federal Reserve Bank of New York ("**FRBNY**") based on data received from other sources, we have no control over its determination, calculation or publication. There can be no assurance that SOFR will not be discontinued or fundamentally altered in a manner that is materially adverse to the interests of investors in the Notes. If the manner in which SOFR is calculated is changed, that change may result in a reduction of the amount of interest payable on the Notes, which may adversely affect the trading prices of the Notes. If the rate at which interest accrues on the Notes in respect of the applicable Interest Period on any day or for any Interest Period declines to zero or becomes negative, no interest will be payable on the Notes with respect to that day or Interest Period.

The ISDA Rate and SOFR has a limited history and future performance cannot be predicted based on historical performance

The publication of SOFR began in April 2018, and, therefore, it has a limited history. The future performance of the ISDA Rate and SOFR cannot be predicted based on the limited historical

performance. The levels of the ISDA Rate and SOFR during the term of the notes may bear little or no relation to the historical actual or historical indicative data. Prior observed patterns, if any, in the behaviour of market variables and their relation to the ISDA Rate and SOFR, such as correlations, may change in the future. While some pre-publication historical data for SOFR has been released by the FRBNY, production of such historical indicative SOFR data inherently involves assumptions, estimates and approximations.

No future performance of the ISDA Rate or SOFR may be inferred from any of the historical actual or historical indicative SOFR data. Hypothetical or historical performance data are not indicative of, and have no bearing on, the potential performance of the ISDA Rate or SOFR. Changes in the levels of SOFR will affect the ISDA Rate and, therefore, the return on the Notes and the trading price of the Notes, but it is impossible to predict whether such levels will rise or fall.

The ISDA Rate is a daily compounded rate that is relatively new in the marketplace

Payments in respect of the Notes (if any) will be determined by reference to a daily compounded rate that will be calculated using the specific formula described in the ISDA Definitions and not SOFR published on or in respect of a particular date during the relevant Interest Period or an average of SOFR during such Interest Period. Accordingly, the return in respect of the Notes will differ from the return on other investments linked to SOFR that use an alternative basis to determine the applicable interest rate. In addition, when calculating compounded SOFR for any Interest Period, if SOFR for a particular day during that interest period is negative, then the amount of interest attributable to that day may be less than zero. Very limited market precedent exists for Notes that use SOFR as the interest rate, and the method for calculating an interest rate based upon SOFR in those precedents varies. Accordingly, the specific formula for compounded SOFR used for determining any payments due in respect of the Notes may not be widely adopted by other market participants, if at all. If the market adopts a calculation method that differs from that for the Notes, the return on, value of and market for the Notes could be adversely affected.

The administrator of SOFR may make changes that could adversely affect the level of SOFR or discontinue SOFR and has no obligation to consider the interest of Holders in doing so

SOFR is a relatively new rate, and the FRBNY, as administrator of SOFR, may make methodological or other changes that could change the value of SOFR, including changes related to the method by which SOFR is calculated, eligibility criteria applicable to the transactions used to calculate SOFR, or timing related to the publication of SOFR. If the manner in which SOFR is calculated is changed, that change may result in a reduction or other change in the ISDA Rate and may adversely affect any payment on the Notes, which may adversely affect the trading prices of the Notes. The administrator of SOFR may withdraw, modify, amend, suspend or discontinue the calculation or dissemination of SOFR in its sole discretion and without notice and has no obligation to consider the interests of holders of the notes in calculating, withdrawing, modifying, amending, suspending or discontinuing SOFR. In that case, the method by which the ISDA Rate is calculated will change.]

No person shall have any right to enforce any term or condition of any Note under the Contracts (Rights of Third Parties) Act 1999.

- 4.4 **Transfers of Registered Notes:** Subject to Condition 4.7 (*Closed periods*) and Condition 4.8 (*Regulations concerning transfers and registration*) below, a Registered Note may be transferred upon surrender of the relevant Note Certificate, with the endorsed form of transfer duly completed, at the Specified Office of the Registrar, together with such evidence as the Registrar may reasonably require to prove the title of the transferor and the authority of the individuals who have executed the form of transfer; provided, however, that a Registered Note may not be transferred unless the principal amount of Registered Notes transferred and (where not all of the Notes held by a Holder are being transferred) the principal amount of the balance of Registered Notes not transferred are Specified Denominations. Where not all the Registered Notes represented by the surrendered Note Certificate are the subject of the transfer, a new Note Certificate in respect of the balance of the Notes will be issued to the transferor.

- 4.5 **Registration and delivery of Note Certificates:** Within five business days of the surrender of a Note Certificate in accordance with Condition 4.4 (*Transfers of Registered Notes*) above, the Registrar will register the transfer in question and deliver a new Note Certificate of a like principal amount to the Registered Notes transferred to each relevant Holder at its Specified Office or (at the request and risk of any such relevant Holder) by uninsured first class mail (airmail if overseas) to the address specified for the purpose by such relevant Holder. In this paragraph, "business day" means a day on which commercial banks are open for general

business (including dealings in foreign currencies) in the city where the Registrar has its Specified Office.

- 4.6 **No charge:** The transfer of a Registered Note will be effected without charge by or on behalf of the Issuer or the Registrar but against such indemnity as the Registrar may require in respect of any tax or other duty of whatsoever nature which may be levied or imposed in connection with such transfer.
- 4.7 **Closed periods:** Noteholders may not require transfers to be registered during the period of 15 (fifteen) days ending on the due date for any payment of principal or interest in respect of the Registered Notes.
- 4.8 **Regulations concerning transfers and registration:** All transfers of Registered Notes and entries on the Register are subject to the detailed regulations concerning the transfer of Registered Notes scheduled to the Agency Agreement. The regulations may be changed by the Issuer with the prior written approval of the Registrar. A copy of the current regulations will be mailed (free of charge) by the Registrar to any Noteholder who requests in writing a copy of such regulations.

5. STATUS OF NOTES

Unless otherwise specified in the Applicable Pricing Supplement, the Notes constitute direct, unconditional, unsubordinated and unsecured obligations of the Issuer which will at all times rank *pari passu* without preference or priority among themselves and, save for certain debts required to be preferred by law, rank equally with all other present and future unsecured and unsubordinated obligations of the Issuer from time to time owing, save for such obligations as may be preferred by provisions of law that are both mandatory from time to time outstanding and of general application.

6. INTEREST AND INTERIM AMOUNTS

If the Applicable Pricing Supplement so specifies, the Notes of any Tranche will bear interest from the Interest Commencement Date at the Interest Rate(s) specified in, or determined in accordance with, the Applicable Pricing Supplement or as otherwise specified in the Applicable Pricing Supplement and such interest will be payable in respect of each Interest Period on the Interest Payment Date(s) specified in the Applicable Pricing Supplement. The interest payable on the Notes of any Tranche for a period other than a full Interest Period shall be determined in accordance with the Applicable Pricing Supplement.

6.1 Interest on Fixed Rate Notes

Interest on Fixed Rate Notes will be paid on the Interest Payment Dates specified in the Applicable Pricing Supplement.

6.1.1 *Accrual of Interest*

The Notes bear interest from the Interest Commencement Date at the Interest Rate payable in arrears on each Interest Payment Date, subject as provided in Condition 8 (*Payments*).

6.1.2 *Fixed Coupon Amount*

The amount of interest payable in respect of each Note for any Interest Period shall be the relevant Fixed Coupon Amount and, if the Notes are in more than one Specified

Denomination, shall be the relevant Fixed Coupon Amount in respect of the relevant Specified Denomination.

6.1.2 *Calculation of Interest Amount*

The Interest Amount payable in respect of each Note for any period for which a Fixed Coupon Amount is not specified shall be calculated by applying the Interest Rate to either (i) the Calculation Amount, in the case of Notes represented by Individual Note Certificates or (ii) if the Notes are represented by a Global Certificate, the aggregate outstanding Nominal Amount of the Notes represented by such Global Certificate, and in each case, multiplying the product by the relevant Day Count Fraction and rounding the resulting figure to the nearest sub-unit of the Payment Currency (half a sub-unit being rounded upwards) and, if paragraph (i) applies, multiplying such rounded figure by a fraction equal to the Specified Denomination of such Note divided by the Calculation Amount or, if paragraph (ii) applies, *pro rating* such rounded figure amongst the Notes by reference to the Specified Denomination of such Note relative to the then aggregate Nominal Amount of Notes, provided that:

- (a) if an Initial Broken Amount is specified in the Applicable Pricing Supplement, then the first Interest Amount shall equal the Initial Broken Amount specified in the Applicable Pricing Supplement; and
- (b) if a Final Broken Amount is specified in the Applicable Pricing Supplement, then the final Interest Amount shall equal the Final Broken Amount specified in the Applicable Pricing Supplement.

6.2 **Interest on Floating Rate Notes, Indexed Notes, FX Linked Interest Notes and Interim Amounts payable in respect of Equity Linked Notes**

6.2.1 *Accrual of Interest*

The Notes bear interest from the Interest Commencement Date at the Interest Rate or as otherwise specified in the Applicable Pricing Supplement payable in arrears on each Interest Payment Date, subject as provided in Condition 8 (*Payments*).

6.2.2 *Interest Rate for Floating Rate Notes*

The Interest Rate which is applicable to a Tranche of Floating Rate Notes for an Interest Period will be determined on the basis of Screen Rate Determination or on the basis of ISDA Determination or on such other basis as may be determined by the Issuer and specified in the Applicable Pricing Supplement.

6.2.3 *ISDA Determination*

Subject as provided in Condition 6.2.7 (*Benchmark Event*), if ISDA Determination is specified in the Applicable Pricing Supplement as the manner in which the Interest Rate(s) is/are to be determined, the Interest Rate applicable to the Notes for each Interest Period will be the sum of the Margin and the relevant ISDA Rate where "**ISDA Rate**" in relation to any Interest Period means a rate equal to the Floating Rate that would be determined by the Calculation Agent under an interest rate swap transaction if the Calculation Agent were acting as Calculation Agent for that interest rate swap transaction under the terms of an agreement incorporating the ISDA Definitions and under which:

- (a) the Floating Rate Option is as specified in the Applicable Pricing Supplement;

- (b) the Designated Maturity is a period specified in the Applicable Pricing Supplement;
- (c) the relevant Reset Date is as specified in the Applicable Pricing Supplement;
- (d) if the Floating Rate Option is an Overnight Floating Rate Option, the Overnight Rate Compounding Method is one of the following as specified in the Applicable Pricing Supplement:
 - (i) Compounding with Lookback;
 - (ii) Compounding with Observation Period Shift; or
 - (iii) Compounding with Lockout;
- (e) if the Floating Rate Option is a Compounded Index Floating Rate Option, the Index Method is Compounded Index Method with Observation Period Shift, as specified in the Applicable Pricing Supplement.

In connection with the Overnight Rate Compounding Method, references in the ISDA Definitions to numbers or other items specified in the relevant confirmation shall be deemed to be references to the numbers or other items specified for such purpose in the Applicable Pricing Supplement.

For the purposes of this Clause 6.2.3, "**Floating Rate**", "**Floating Rate Option**", "**Designated Maturity**", "**Reset Date**", "**Overnight Floating Rate Option**", "**Overnight Rate Compounding Method**", "**Compounding with Lookback**", "**Compounding with Observation Period Shift**", "**Compounding with Lockout**", "**Compounded Index Floating Rate Option**", "**Index Method**" and "**Compounded Index Method with Observation Period Shift**" have the meanings given to those terms in the ISDA Definitions.

6.2.4 *Linear Interpolation*

If Linear Interpolation is specified as applicable in respect of an Interest Period in the Applicable Pricing Supplement and ISDA Determination is specified in the Applicable Pricing Supplement as the manner in which the Interest Rate(s) is/are to be determined, the Interest Rate for such Interest Period shall be calculated by the Calculation Agent by straight-line linear interpolation by reference to two rates based on the relevant Floating Rate Option, where:

- (a) one rate shall be determined as if the Designated Maturity were the period of time for which rates are available next shorter than the length of the relevant Interest Periods; and
- (b) the other rate shall be determined as if the Designated Maturity were the period of time for which rates are available next longer than the length of the relevant Interest Period,

provided, however, that if there is no rate available for a period of time next shorter than the length of the relevant Interest Period or, as the case may be, next longer than the length of the relevant Interest Period, then the Calculation Agent shall determine such rate at such time and by reference to such sources as the Issuer determines appropriate.

6.2.5 *Screen Rate Determination (other than Floating Rate Notes which reference SONIA or SOFR)*

If Screen Rate Determination is specified in the Applicable Pricing Supplement as the manner in which the Interest Rate(s) is/are to be determined and the Reference Rate is not SONIA or SOFR (each as defined in Condition 6.2.6), the Interest Rate applicable to the Notes for each Interest Period will be determined by the Calculation Agent on the following basis:

- (a) if the Reference Rate is a composite quotation or customarily supplied by one entity, the Calculation Agent will determine the Reference Rate which appears on the Relevant Screen Page as of the Relevant Time on the relevant Interest Determination Date;
- (b) if Linear Interpolation is specified as applicable in respect of an Interest Period in the Applicable Pricing Supplement, the Interest Rate for such Interest Period shall be calculated by the Calculation Agent by straight-line linear interpolation by reference to two rates which appear on the Relevant Screen Page as of the Relevant Time on the relevant Interest Determination Date, where:
 - (i) one rate shall be determined as if the relevant Interest Period were the period of time for which rates are available next shorter than the length of the relevant Interest Period; and
 - (ii) the other rate shall be determined as if the relevant Interest Period were the period of time for which rates are available next longer than the length of the relevant Interest Period; ***provided, however, that*** if no rate is available for a period of time next shorter or, as the case may be, next longer than the length of the relevant Interest Period, then the Calculation Agent shall determine such rate at such time and by reference to such sources as the Issuer, in consultation with an independent adviser appointed by the Issuer and acting in good faith and in a commercially reasonable manner as an expert in its reasonable discretion, determines appropriate. As used in this Condition 6.2.5(b)(ii), "*independent adviser*" means an independent financial institution of international repute or an independent financial adviser with appropriate expertise appointed by the Issuer at its own expense;
- (c) in any other case, the Calculation Agent will determine the arithmetic mean of the Reference Rates which appear on the Relevant Screen Page as of the Relevant Time on the relevant Interest Determination Date;
- (d) subject to Condition 6.2.7 (*Benchmark Event*), if, in the case of (a) above, such rate does not appear on that page or, in the case of (b) above, fewer than two such rates appear on that page or if, in either case, the Relevant Screen Page is unavailable, the Calculation Agent will:
 - (i) request each of the Reference Banks to provide a quotation of the Reference Rate at approximately the Specified Time on the Interest Determination Date to prime banks in the Reference Rate Market in an amount that is representative for a single transaction in that market at that time; and
 - (ii) determine the arithmetic mean of such quotations; and

- (e) if fewer than two such quotations are provided as requested, the Calculation Agent will determine the arithmetic mean of the rates (being the nearest to the Reference Rate, as determined by the Calculation Agent) quoted by major banks in the principal financial centre of the Payment Currency, selected by the Issuer, at approximately the Specified Time on the first day of the relevant Interest Period for loans in the Payment Currency to leading banks in the Reference Rate Market for a period equal to the relevant Interest Period and in an amount that is representative for a single transaction in that market at that time,

and the Interest Rate for such Interest Period shall be the sum of the Margin and the rate or (as the case may be) the arithmetic mean so determined; *provided, however, that* if the Calculation Agent is unable to determine a rate or (as the case may be) an arithmetic mean in accordance with the above provisions in relation to any Interest Period, the Interest Rate applicable to the Notes during such Interest Period will be the sum of the Margin and the rate or (as the case may be) the arithmetic mean last determined in relation to the Notes in respect of a preceding Interest Period.

6.2.6 *Screen Rate Determination for Floating Rate Notes which reference SONIA or SOFR*

Where Screen Rate Determination is specified in the Applicable Pricing Supplement as the manner in which the Interest Rate is to be determined and the Reference Rate specified in the Applicable Pricing Supplement is SONIA or SOFR:

For these purposes the Reference Rate in effect for any calendar day which is not a Business Day shall be deemed to be the Reference Rate in effect for the Business Day immediately preceding such calendar day; and

- (ii) where "Lock-out" is specified as the Observation Method in the Applicable Pricing Supplement, the arithmetic mean of the Reference Rate in effect for each calendar day during the relevant Interest Period, calculated by multiplying each relevant Reference Rate by the number of calendar days such rate is in effect, determining the sum of such products and dividing such sum by the number of calendar days in the relevant Interest Period, provided however that for any calendar day of such Interest Period falling in the Lock-out Period, the relevant Reference Rate for each day during that Lock-out Period will be deemed to be the Reference Rate in effect for the Reference Day immediately preceding the first day of such Lock-out Period. - (d) Where "SONIA" is specified as the Reference Rate in the Applicable Pricing Supplement, if, in respect of any Business Day, SONIA (as defined in paragraph (a) above) is not available on the Relevant Screen Page or has not otherwise been published by the relevant authorised distributors, such Reference Rate shall be:
- (i) (i) the Bank of England's Bank Rate (the **"Bank Rate"**) prevailing at close of business on the relevant Business Day; plus (ii) the mean of the spread of SONIA to the Bank Rate over the previous five days on which SONIA has been published, excluding the highest spread (or, if there is more than one highest spread, one only of those highest spreads) and lowest spread (or, if there is more than one lowest spread, one only of those lowest spreads) to the Bank Rate; or
 - (ii) subject to Condition 6.2.7 (*Benchmark Event*), if such Bank Rate is not available, the SONIA rate published on the Relevant Screen Page (or otherwise published by the relevant authorised distributors) for the first preceding Business Day on which the SONIA rate was published on the Relevant Screen Page (or otherwise published by the relevant authorised distributors),

and in each case, "r" shall be interpreted accordingly.

If the relevant Series of Notes become due and payable in accordance with Condition 7 (Redemption and Purchase) or Condition 15 (Events of Default), the final Interest Determination Date shall, notwithstanding any Interest Determination Date specified in the Applicable Pricing Supplement, be deemed to be the date on which such Notes became due and payable and the Interest Rate on such Notes shall, for so long as any such Note remains outstanding, be that determined on such date.

6.2.7 *Benchmark Event*

(a) Notes not linked to SOFR

Notwithstanding the provisions of this Condition 6.2 (*Interest on Floating Rate Notes, Indexed Notes, FX Linked Interest Notes and Interim Amounts payable in respect of Equity Linked*) above but subject, in the case of Notes linked to SONIA, to Condition 6.2.6(d)(i) above taking precedence, if a Benchmark Event occurs in relation to an Original Reference Rate when any Interest Rate (or any component part thereof) remains to be determined by reference to such Original Reference Rate, then the following provisions shall apply (other than to Notes linked to SOFR):

- (i) the Issuer shall use reasonable endeavours to appoint and consult with an Independent Adviser (as defined in Condition 6.2.7(d) below), as soon as reasonably practicable, to determine (without any requirement for the consent or approval of the Noteholders) a Successor Rate, failing which an Alternative Rate and, in either case, an Adjustment Spread (if any) and any Benchmark Amendments (each as defined and as further described below);
- (ii) an Independent Adviser appointed pursuant to this Condition 6.2.7 (*Benchmark Event*) shall act in good faith and in a commercially reasonable manner as an expert and in consultation with the Issuer, and (in the absence of bad faith, fraud or negligence) shall have no liability whatsoever to the Calculation Agent,

Registrar, Paying Agents, the Noteholders or the Couponholders for any determination made by it, pursuant to this Condition 6.2.7 (*Benchmark Event*).

- (iii) If (i) the Issuer is unable to appoint an Independent Adviser; or (ii) the Independent Adviser appointed by it fails to determine a Successor Rate or, failing which, an Alternative Rate in accordance with this Condition 6.2.7 (*Benchmark Event*) prior to the date which is ten Business Days prior to the relevant Interest Determination Date, the Interest Rate applicable to the next succeeding Interest Period shall be equal to the Interest Rate last determined in relation to the Notes in respect of the immediately preceding Interest Period. If there has not been a first Interest Payment Date, the Interest Rate shall be the initial Interest Rate. Where a different Margin or Maximum or Minimum Interest Rate is to be applied to the relevant Interest Period from that which applied to the last preceding Interest Period, the Margin or Maximum or Minimum Interest Rate relating to the relevant Interest Period shall be substituted in place of the Margin or Maximum or Minimum Interest Rate relating to that last preceding Interest Period. For the avoidance of doubt, this paragraph shall apply to the relevant next succeeding Interest Period only and any subsequent Interest Periods are subject to the subsequent operation of, and to adjustment as provided in, this Condition 6.2.7 (*Benchmark Event*).

(iv) Successor Rate or Alternative Rate

If the Independent Adviser determines and notifies the Principal Paying Agent prior to the date which is ten Business Days prior to the next Interest Determination Date in its discretion that

- (A) there is a Successor Rate, then such Successor Rate shall (subject to adjustment as provided in Condition 6.2.7(a)(v)) subsequently be used in place of the Original Reference Rate to determine the Interest Rate (or the relevant component part thereof) for all future payments of interest on the Notes (subject to the subsequent operation of this Condition 6.2.7 (*Benchmark Event*)); or
- (B) there is no Successor Rate but that there is an Alternative Rate, then such Alternative Rate shall (subject to adjustment as provided in Condition 6.2.7(a)(v)) subsequently be used in place of the Original Reference Rate to determine the Interest Rate (or the relevant component part thereof) for all future payments of interest on the Notes (subject to the subsequent operation of this Condition 6.2.7 (*Benchmark Event*)).

(v) *Adjustment Spread*

If the Independent Adviser determines and notifies the Principal Paying Agent prior to the date which is ten Business Days prior to the next Interest Determination Date (i) that an Adjustment Spread is required to be applied to the Successor Rate or the Alternative Rate (as the case may be); and (ii) the quantum of, or a formula or methodology for determining, such Adjustment Spread, then such Adjustment Spread shall be applied to the Successor Rate

or the Alternative Rate (as the case may be). If the Independent Adviser is unable to determine the quantum of, or a formula or methodology for determining such Adjustment Spread, then the Successor Rate or the Alternative Rate (as applicable) will apply without an Adjustment Spread.

(vi) *Benchmark Amendments*

If any Successor Rate or Alternative Rate or Adjustment Spread is determined in accordance with this Condition 6.2.7 (*Benchmark Event*) and the Independent Adviser determines (i) that amendments to these Conditions and/or the Agency Agreement are necessary to ensure the proper operation of such Successor Rate, Alternative Rate and/or Adjustment Spread (such amendments, the "**Benchmark Amendments**") and (ii) the terms of the Benchmark Amendments, then the Issuer shall, subject to giving notice thereof in accordance with Condition 6.2.7(a)(vii), without any requirement for the consent or approval of Noteholders, vary these Conditions and/or the Agency Agreement to give effect to such Benchmark Amendments with effect from the date specified in such notice (provided, however, that the Principal Paying Agent shall not be obliged to agree to any such Benchmark Amendments if the same would, in the sole opinion of the Principal Paying Agent, impose more onerous obligations upon it or expose it to any additional duties, responsibilities or liabilities or reduce, or amend its rights and/or the protective provisions afforded to it in any document to which it is a party).

In connection with any such variation in accordance with this Condition 6.2.7(a)(vi), the Issuer shall comply with the rules of any stock exchange on which the Notes are for the time being listed or admitted to trading.

(vii) *Notices, etc.*

Any Successor Rate, Alternative Rate, Adjustment Spread and the specific terms of any Benchmark Amendments, determined under this Condition 6.2.7 (*Benchmark Event*) will be notified promptly (but in any event no later than the relevant Interest Determination Date) by the Issuer to the Calculation Agent, the Paying Agents and, in accordance with Condition 17 (*Notices*), the Noteholders. Such notice shall be irrevocable and shall specify the effective date, which shall not be less than ten Business Days prior to the next Interest Determination Date, of the Benchmark Amendments, if any.

No later than notifying the Principal Paying Agent of the same, the Issuer shall deliver to the Principal Paying Agent a certificate signed by two Authorised Signatories of the Issuer:

- (A) confirming (a) that a Benchmark Event has occurred, (b) the Successor Rate or, as the case may be, the Alternative Rate and, (c) where applicable, any Adjustment Spread and/or the specific terms of any Benchmark Amendments, in each case as determined in accordance with the provisions of this Condition 6.2.7 (*Benchmark Event*); and

- (B) certifying that the Benchmark Amendments are necessary to ensure the proper operation of such Successor Rate, Alternative Rate and/or Adjustment Spread.

The Principal Paying Agent shall display such certificate at its offices, for inspection by the Noteholders at all reasonable times during normal business hours.

The Successor Rate or Alternative Rate and the Adjustment Spread (if any) and the Benchmark Amendments (if any) specified in such certificate will (in the absence of manifest error or bad faith in the determination of the Successor Rate or Alternative Rate and the Adjustment Spread (if any) and the Benchmark Amendments (if any) and without prejudice to the Calculation Agent's or the Paying Agent's ability to rely on such certificate) be binding on the Issuer, the Calculation Agent, the Paying Agents and the Noteholders.

(viii) *Survival of Original Reference Rate*

Without prejudice to the obligations of the Issuer under this Condition 6.2.7 (*Benchmark Event*), the Original Reference Rate and the fallback provisions provided for in Condition 6.2 (*Interest on Floating Rate Notes, Indexed Notes, FX Linked Interest Notes and Interim Amounts payable in respect of Equity Linked Notes*) will continue to apply unless and until a Benchmark Event has occurred and only then once the Principal Paying Agent has been notified of the Successor Rate or the Alternative Rate (as the case may be) and any Adjustment Spread (if applicable) and Benchmark Amendments (if applicable) in accordance with paragraph (vi) above.

(b) *Notes linked to SOFR*

In the case of Notes linked to SOFR:

- (i) if the Issuer (in consultation, to the extent practicable, with an Independent Adviser) determines that a Benchmark Event and the relevant SOFR Index Cessation Date have both occurred, when any Interest Rate (or the relevant component part thereof) remains to be determined by reference to such Reference Rate, the Reference Rate shall be the rate that has been recommended as the replacement for the SOFR by the Federal Reserve Board and/or the Federal Reserve Bank of New York or a committee officially endorsed or convened by the Federal Reserve Board and/or the Federal Reserve Bank of New York for the purpose of recommending a replacement for the SOFR (which rate may be produced by the Federal Reserve Bank of New York or other designated administrator, and which rate may include any adjustments or spreads) or, if no such rate has been recommended within one Business Day (as defined in Condition 6.2.6(a)) of the SOFR Index Cessation Date, the Reference Rate shall be the Overnight Bank Funding Rate (published on the New York Fed's Website at or around 5:00 p.m. (New York time) on the relevant New York City Banking Day) for any SOFR Reset Date falling on or after the SOFR Index Cessation Date (it being understood that the Overnight

Bank Funding Rate for any such SOFR Reset Date will be for trades made on the related SOFR Determination Date); or

- (ii) if the Calculation Agent is required to use the Overnight Bank Funding Rate in paragraph (i) above and an OBFR Index Cessation Event and an OBFR Index Cessation Date have both occurred, then for any SOFR Reset Date falling on or after the later of the SOFR Index Cessation Date and the OBFR Index Cessation Date, the Reference Rate shall be the short-term interest rate target set by the Federal Open Market Committee, as published on the New York Fed's Website and as prevailing on such SOFR Reset Date, or if the Federal Open Market Committee has not set a single rate, the mid-point of the short-term interest rate target range set by the Federal Open Market Committee, as published on the New York Fed's Website and as prevailing on such SOFR Reset Date (calculated as the arithmetic average of the upper bound of the target range and the lower bound of the target range),

and in each case "r" shall be interpreted accordingly.

(c) *Effect of Benchmark Transition Event*

Where "SOFR" is specified as the Reference Rate and where "ARRC Fallbacks" are specified as applicable in the Applicable Pricing Supplement:

- (i) notwithstanding any other provision to the contrary in these Conditions, if the Issuer or, at the Issuer's request, an Independent Adviser, determines on or prior to the Reference Time, that a Benchmark Transition Event and its related Benchmark Replacement Date (each, as defined below) have occurred with respect to the then current SOFR Benchmark, then the provisions set forth in this Condition 6.2.7(c) (the "**Benchmark Transition Provisions**"), will thereafter apply to all terms of the Notes relevant in respect of such SOFR Benchmark, including without limitation, the determination of any Interest Rate. In accordance with the Benchmark Transition Provisions, after a Benchmark Transition Event and its related Benchmark Replacement Date have occurred, any such Interest Rate in respect of an Interest Period will be determined by reference to the relevant Benchmark Replacement;
- (ii) if the Issuer or, at the Issuer's request, an Independent Adviser, determines that a Benchmark Transition Event and its related Benchmark Replacement Date have occurred prior to the Reference Time in respect of any determination of the SOFR Benchmark on any date, the Benchmark Replacement will replace the then-current SOFR Benchmark for all purposes relating to the Notes in respect of such determination on such date and all determinations on all subsequent dates. In no event shall the Calculation Agent be responsible for determining any substitute for SOFR, or for making any adjustments to any alternative benchmark or spread thereon, the business day convention, interest determination dates or any other relevant methodology for calculating any such substitute or successor benchmark. In connection with the foregoing, the Calculation Agent will be entitled to conclusively rely on any determinations made by the Issuer, or at the Issuer's request, an Independent Adviser, and will

have no liability for such actions taken at the direction of the Issuer, or at the Issuer's request, an Independent Adviser;

- (iii) in connection with the implementation of a Benchmark Replacement, the Issuer, or at the Issuer's request, an Independent Adviser, will have the right to make Benchmark Replacement Conforming Changes from time to time;
- (iv) subject as provided in the Agency Agreement, the Principal Paying Agent shall, at the direction and expense of the Issuer and without any requirement for the consent or approval of the Noteholders or the Couponholders, be obliged to concur with the Issuer to effect such Benchmark Replacement Conforming Changes (including, inter alia, by the execution of an agreement supplemental to/amending the Agency Agreement) and the Principal Paying Agent shall not be liable to any party for any consequences thereof (provided, however, that the Principal Paying Agent shall not be obliged to agree to any such Benchmark Replacement Conforming Changes if the same would, in the sole opinion of the Principal Paying Agent, impose more onerous obligations upon it or expose it to any additional duties, responsibilities or liabilities or reduce, or amend its rights and/or the protective provisions afforded to it in any document to which it is a party);
- (v) the Issuer shall, prior to the taking effect of any Benchmark Replacement Conforming Changes, give notice thereof to the Principal Paying Agent and the Noteholders;
- (vi) any determination, decision or election that may be made by the Issuer or an Independent Adviser pursuant to this Condition 6.2.7(c), including any determination with respect to a tenor, rate, adjustment, occurrence or non-occurrence of an event, circumstance or date or any decision to take or refrain from taking any action or any selection:
 - (A) will be conclusive and binding absent manifest error;
 - (B) if made by the Issuer, will be made in the Issuer's sole discretion;
 - (C) if made by an Independent Adviser, will be made after consultation with the Issuer, and the Independent Adviser will not make any such determination, decision or election to which the Issuer reasonably objects; and
 - (D) notwithstanding anything to the contrary in these Conditions, the Agency Agreement or the Notes, shall become effective without consent from the Noteholders or the Couponholders or any other party; and
- (vii) if an Independent Adviser does not make any determination, decision or election that it is required to make pursuant to this Condition 6.2.7(c), then the Issuer will make that determination, decision or election on the same basis as described above.

None of the Principal Paying Agent, the Registrar or the Paying Agents will have any liability for any determination made by or on behalf of Issuer or the Independent

Adviser in connection with a Benchmark Transition Event or a Benchmark Replacement.

the foregoing provisions) without notice in the event of an extension or shortening of the relevant Interest Period. Any such amendment will be promptly notified to the Issuer and to the Noteholders in accordance with Condition 17 (*Notices*). During each such applicable period, the Interest Rate on the Mixed Rate Notes shall be determined, and each relevant Interest Amount shall fall due for payment on the basis that and to the extent that such Mixed Rate Notes are Fixed Rate Notes, Floating Rate Notes, Zero Coupon Notes, Indexed Notes, Equity Linked Interim Amount Notes or FX Linked Interest Notes, as the case may be.

Subject as provided in Credit Linked Condition 5 (*Accrual of Interest*), each Note (or in the case of the redemption of part only of a Note, that part only of such Note) will cease to bear interest (if any) from the date for its redemption. If on the date of redemption and upon due presentation of the Note, payment of principal is improperly withheld or refused, interest shall accrue at the SAFEX Overnight Deposit Rate (to be found on the Reuters

Screen SAFEX page as at 11h00 (Johannesburg time)) from the date on which such amount is due and payable until the earlier of:

- (a) the date on which all amounts due in respect of such Note have been paid; or
- (b) in respect of Notes evidenced by a Global Certificate, the date on which the full amount of the moneys payable has been received by the Paying Agent and notice to that effect has been given to Noteholders in accordance with Condition 17 (*Notices*).

In the event that the SAFEX Overnight Deposit Rate is not ascertainable from the relevant screen page at the time contemplated above, the Calculation Agent shall follow the procedure contemplated in Condition 6.2.5 (*Screen Rate Determination including fallback provisions*) to ascertain a rate.

6.7 **Business Day Convention**

If any Interest Payment Date or Interim Amount Payment Date (or other date) which is specified in the Applicable Pricing Supplement to be subject to adjustment in accordance with a Business Day Convention would otherwise fall on a day which is not a Business Day, then, if the Business Day Convention specified is:

- (a) the "**Floating Rate Business Day Convention**", such Interest Payment Date or Interim Amount Payment Date (or other date) shall in any case where Interest Periods are specified in accordance with Condition 6.2 (*Interest on Floating Rate Notes, Indexed Notes, FX Linked Interest Notes and Interim Amounts payable in respect of Equity Linked Notes*), be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in which event: (i) such Interest Payment Date (or other date) shall be brought forward to the first preceding Business Day; and (ii) each subsequent Interest Payment Date (or other date) shall be the last Business Day in the month which falls the number of months or other period specified as the Interest Period in the Applicable Pricing Supplement after the preceding applicable Interest Payment Date (or other date) has occurred; or

Minutes shall be made of all resolutions and proceedings at each Meeting. The Chairman shall sign the minutes, which shall be prima facie evidence of the proceedings recorded therein. Unless and until the contrary is proved, every such Meeting in respect of the proceedings of which minutes have been summarised and signed shall be deemed to have been duly convened

and held and all resolutions passed, or proceedings transacted at it to have been duly passed and transacted.

18.21 **Written Resolution**

A Written Resolution shall take effect as if it were an Extraordinary Resolution.

19. **MODIFICATION**

The Notes, these Conditions and the Deed of Covenant may be amended without the consent of the Noteholders or the Couponholders to correct a manifest error. In addition, the parties to the Agency Agreement may agree to modify any provision thereof, but the Issuer shall not agree, without the consent of the Noteholders, to any such modification unless it is of a formal, minor or technical nature, is made to correct a manifest error or is, in its sole opinion, not materially prejudicial to the interests of the Noteholders.

The consent or approval of the Noteholders shall not be required in the case of amendments to the Conditions pursuant to Condition 6.2.7 (*Benchmark Event*) to vary the method basis of calculating the rate or rates or amount of interest or the basis for calculating any Interest Amount in respect of the Notes or for any other variation of these Conditions and/or the Agency Agreement required to be made in the circumstances described in Condition 6.2.7 (*Benchmark Event*), where the Issuer has otherwise complied with the requirements set out in the same Condition.

20. **FURTHER ISSUES**

The Issuer shall be at liberty from time to time without the consent of the Noteholders to create and issue further Notes (the "**Additional Notes**") having terms and conditions which are identical to any of the other Notes already issued under the Programme (the "**Existing Notes**") or the same in all respects save for their respective Issue Prices, Issue Dates and aggregate Nominal Amounts, so that the Additional Notes shall be consolidated by the Issuer to form a single Series with the Existing Notes.

21. **GOVERNING LAW**

Unless otherwise specified in the Applicable Pricing Supplement, the provisions of the Programme Memorandum, the applicable Terms and Conditions and the Notes are governed by, and shall be construed in accordance with, the laws of England and Wales save that the provisions of Condition 23 (*Recognition of RSA Bail-in Powers*) are governed by, and shall be construed in accordance with, South African law.

22. **JURISDICTION**

The Courts of England are to have jurisdiction to settle any disputes, controversy, proceedings or claim of whatever nature that may arise out of or in connection with any Notes (including their formation) and accordingly any such legal action or proceedings ("**Proceedings**") may be brought in such courts. The Issuer irrevocably submits to the jurisdiction of the courts of England and waives any objection to Proceedings in such courts on the ground of venue or on the ground that the Proceedings have been brought in an inconvenient forum. These submissions are made for the benefit of each of the Holders of the Notes and shall not affect the right of any of them to take Proceedings in any other court of competent jurisdiction nor shall the taking of Proceedings in one or more jurisdictions preclude the taking of Proceedings in any other jurisdiction (whether concurrently or not).

23. RECOGNITION OF RSA BAIL-IN POWERS

23.1 Application

Notwithstanding and to the exclusion of any other term of the Notes, or any other agreements, arrangements or understanding between the Issuer and any Noteholder (including each holder of a beneficial interest in the Notes), each Noteholder acknowledges and accepts that any Amounts Due arising under the Notes may be subject to the exercise of any RSA Bail-in Power, or the taking of any Resolution Action, by the Resolution Authority and acknowledges, accepts, consents to and agrees to be bound by the exercise of any RSA Bail-in Power by the Resolution Authority or determination under the Resolution Framework which may include (without limitation) and result in any of the following Resolution Actions, or some combination thereof:

- (a) the reduction or write-off of all, or a portion of, the Amounts Due including on a permanent basis;
- (b) the conversion of all, or a portion, of the Amounts Due into ordinary shares or other securities or other obligations of the Issuer or another person (or the issue to or conferral on the Noteholder of such shares, securities or obligations) including by means of an amendment, modification or variation of the terms of the Notes, in which case the Noteholder agrees to accept in lieu of its rights under the Notes any such shares, other securities or other obligations of the Issuer or another Person;
- (c) the cancellation of the Notes;
- (d) the transfer of the Notes; and/or
- (e) the amendment or alteration of the maturity of the Notes, or the amendment of the amount of interest, and Additional Amounts (if any), due or payable on the Notes, or the dates on which interest becomes payable, including by suspending payment for any period contemplated in the RSA Bail-in Power,

which such RSA Bail-in Power may be exercised by means of amendment, modification or variation of the terms of the Notes to give effect to any exercise of any RSA Bail-in Power, or the taking of any Resolution Action, by the Resolution Authority. The exercise of the RSA Bail-in Powers, and the taking of any Resolution Action, by the Resolution Authority and the implementation, and the rights of the Noteholders in respect, thereof shall be as prescribed and/or determined by the Resolution Framework.

23.2 Variation of Rights

Each Noteholder further acknowledges and agrees that the rights of the Noteholders are subject to, and will, without the consent of Noteholders be varied, if necessary, solely to give effect to, the exercise of any RSA Bail-in Power by the Resolution Authority.

23.3 Payments of Amounts Due

No Amounts Due in relation to the Notes will become due and payable or be paid after the exercise of any RSA Bail-in Power by the Resolution Authority if and to the extent such amounts have been reduced, written-down, written-off, converted, cancelled, amended or altered as a result of such exercise, unless, at the time that such repayment or payment,

respectively, is scheduled to become due, such repayment or payment would be permitted to be made by the Issuer under the laws and regulations of South Africa applicable to the Issuer.

23.4 **Rescission of Redemption**

If the Issuer has elected to redeem the Notes but prior to the payment of the Redemption Amount with respect to such redemption the Resolution Authority exercises any RSA Bail-in Power with respect to the Notes, the relevant redemption notices shall be automatically rescinded and shall be of no force and effect, and no payment of the Redemption Amount (or any other amount that would otherwise be payable as a result of such redemption) will be due and payable.

23.5 **No Event of Default**

None of a reduction, write-off, write-down or cancellation, in part or in full, of the Amounts Due, the conversion thereof into another security or obligation of the Issuer or another person, as a result of the exercise of any RSA Bail-in Power by the Resolution Authority with respect to the Issuer, nor the exercise of any RSA Bail-in Power by the Resolution Authority with respect to the Notes, will constitute an Event of Default or a default or breach of these Terms and Conditions for any purpose.

23.6 **Notice**

Upon the exercise of any RSA Bail-in Power by the Resolution Authority with respect to any Notes, the Issuer shall provide a written notice to the Principal Paying Agent as soon as practicable regarding the exercise of such RSA Bail-in Power and give notice of the same to the Noteholders in accordance with Condition 17 (*Notices*). Any delay or failure by the Issuer in delivering any such notice shall not affect the validity and/or enforceability of exercise of any RSA Bail-in Power.

23.7 **Interpretation**

For the purposes of this Condition 23:

"Amounts Due" means the principal amount of, and any accrued but unpaid interest on, the Notes. References to such amounts will include amounts that have become due and payable, but which have not been paid, prior to the exercise of any RSA Bail-in Power by the Resolution Authority; **"Person"** means any individual, company, corporation, firm, partnership, joint venture, association, organisation, state or agency of a state or other entity, whether or not having separate legal personality;

"Resolution Action" means, on and after the occurrence of a Resolution Event, any "resolution action" (as defined in section 1(1) of the Financial Sector Regulation Act) taken by the Resolution Authority in terms of the Resolution Framework;

"Resolution Authority" means the South African Reserve Bank or any successor or replacement thereto and/or such other authority in South Africa with the ability to exercise the RSA Bail-in Powers; **"Resolution Event"** means the event that occurs when the Minister of Finance of South Africa makes a written determination, addressed to the Governor of the SARB, placing a Designated Institution in Resolution in terms of section 166J(2) of the Financial Sector Regulation Act;

"Resolution Framework" means Chapter 12A of the Financial Sector Regulation Act and any other Applicable Law applicable to any Issuer or other members of the Group at the relevant time pursuant to, or which implement, or are enacted within the context of, Chapter 12A of the Financial Sector Regulation Act, establishing a framework for the Resolution of Designated Institutions;

"RSA Bail-in Power" means any write-down, write-off, conversion, transfer, modification, suspension or similar or related power existing from time to time under any laws, regulations, rules, directives, standards or requirements relating to the resolution of banks, banking group companies, credit institutions and/or investment firms incorporated in South Africa in effect and applicable in South Africa to the Issuer or other members of the SB Group, including but not limited to any such laws, regulations, rules, directives, standards or requirements which are implemented, adopted or enacted within the context of the South African resolution regime under the Financial Sector Regulation Act, 2017, as the same may be amended or replaced from time to time (whether pursuant to secondary legislation or otherwise), pursuant to which any obligation of a bank, banking group company, credit institution and/or investment firm or any of its affiliates can be reduced, written-off, cancelled, modified, transferred and/or converted into shares, other securities or other obligations of the obligor or any other person (or suspended for a temporary period) or pursuant to which any right in a contract governing such obligation may be deemed to have been exercised.

ANNEX 1

ADDITIONAL TERMS AND CONDITIONS FOR CREDIT LINKED NOTES

The terms and conditions applicable to Credit Linked Notes shall comprise the Terms and Conditions of the Notes set out above (the "**General Conditions**") and the Additional Terms and Conditions for Credit Linked Notes set out below (the "**Credit Linked Conditions**"), in each case subject to replacement or modification to the extent specified in the Applicable Pricing Supplement. In the event of any inconsistency between the General Conditions and the Credit Linked Conditions, the Credit Linked Conditions shall prevail. In the event of any inconsistency between (i) the General Conditions and/or the Credit Linked Conditions and (ii) the Applicable Pricing Supplement, the Applicable Pricing Supplement shall prevail.

1. REDEMPTION FOLLOWING THE OCCURRENCE OF A CREDIT EVENT

1.1 If a Credit Event Determination Date has occurred in relation to the Reference Entity:

- (a) if Auction Settlement is specified in the Applicable Pricing Supplement as the applicable Settlement Method, the provisions of Credit Linked Condition 2 (*Auction Settlement*) will apply;
- (b) if Cash Settlement is specified in the Applicable Pricing Supplement as the applicable Settlement Method or if Credit Linked Condition 2(b)(x) below applies, the provisions of Credit Linked Condition 3 (*Cash Settlement*) will apply;
- (c) subject to Credit Linked Condition 10 (*Partial Cash Settlement*), if Physical Settlement is specified in the Applicable Pricing Supplement as the applicable Settlement Method or if Credit Linked Condition 2(b)(y) below applies, the provisions of Credit Linked Condition 4 (*Physical Settlement*) will apply.

Upon discharge by the Issuer of its relevant payment or delivery obligations, as the case may be, on the due date for redemption, or otherwise as provided herein, the Issuer's obligations in respect of a Note shall be discharged.

Where any Cash Settlement Amount is or would be zero then, other than for the payment of accrued interest or any other due but unpaid amounts, the Notes will be cancelled as of the Cash Settlement Date with no payment being due other than any final amount of accrued interest or any other due but unpaid amounts. The Issuer will have no further obligations in respect of the Credit Linked Notes.

If any purchase and cancellation of Notes occurs under General Condition 7.11 (*Purchases*) or any further issue under General Condition 20 (*Further Issues*), the Calculation Agent will make such adjustments to the Applicable Pricing Supplement and/or these Credit Linked Conditions as it determines appropriate to ensure the Notes continue to reflect economic intentions.

1.2 The Calculation Agent shall be responsible for making such determinations, performing such acts and exercising such discretions as may be provided pursuant to the General Conditions, these Credit Linked Conditions and/or the Applicable Pricing Supplement, including without limitation and as required:

- (a) determining a Successor;
- (b) if applicable, identifying a Substitute Reference Obligation;

- (c) obtaining Quotations (and, if necessary, determining whether such Quotations shall include or exclude accrued but unpaid interest) and determining the Final Price;
 - (d) converting any amount from one currency to another;
 - (e) choosing the Quotation Dealers and substituting Quotation Dealers in connection with obtaining Quotations; and
 - (f) determining the Currency Rate.
- 1.3 Whenever the Calculation Agent is required to act or to exercise judgment, unless otherwise specified, it will do so in its sole and absolute discretion or, if so specified, in a commercially reasonable manner.

2. AUCTION SETTLEMENT

- (a) Where Auction Settlement is specified as the applicable Settlement Method in the Applicable Pricing Supplement and a Credit Event Determination Date occurs on or prior to the Auction Final Price Determination Date, the Issuer shall give notice (such notice an "**Auction Settlement Notice**") to the Noteholders in accordance with General Condition 17 (*Notices*) and, subject to these Credit Linked Conditions, redeem all but not some only of the Credit Linked Notes, each Credit Linked Note being redeemed by the Issuer at the Cash Settlement Amount in the relevant Payment Currency on the Cash Settlement Date.
- (b) Unless settlement has occurred in accordance with the paragraph above, if:
 - (i) an Auction Cancellation Date occurs;
 - (ii) a No Auction Announcement Date occurs (and in circumstances where such No Auction Announcement Date occurs pursuant to paragraph (a) or (c)(ii) of the definition of "No Auction Announcement Date", the Issuer has not exercised the Movement Option);
 - (iii) a DC Credit Event Question Dismissal occurs;
 - (iv) a Credit Event Determination Date was determined pursuant to paragraph (a) of the definition of "Credit Event Determination Date" or paragraph (b) of the definition of "Non-Standard Credit Event Determination Date" and no Credit Event Resolution Request Date has occurred on or prior to the date falling three (3) Business Days after such Credit Event Determination Date; or
 - (v) the Calculation Agent determines that it is otherwise reasonably likely that the Reference Transaction would be settled in accordance with the Fallback Settlement Method and gives notice of such to the Issuer (the date on which the Calculation Agent gives such notice, the "**Calculation Agent Fallback Settlement Determination Date**"),

then:

 - (x) if Fallback Settlement Method – Cash Settlement is specified as applicable in the Applicable Pricing Supplement, the Issuer shall redeem the Credit

Linked Notes in accordance with Credit Linked Condition 3 (*Cash Settlement*) below; or

- (y) if Fallback Settlement Method – Physical Settlement is specified as applicable in the Applicable Pricing Supplement, the Issuer shall redeem the Credit Linked Notes in accordance with Credit Linked Condition 4 (*Physical Settlement*) below.

If a Credit Event Determination Date has occurred and the Notes become redeemable in accordance with this Credit Linked Condition 2 (*Auction Settlement*), upon payment of the Cash Settlement Amounts in respect of the Notes, the Issuer shall have discharged its obligations in respect of the Notes and shall have no other liability or obligation whatsoever in respect thereof. The Cash Settlement Amount may be less than the nominal amount of a Credit Linked Note. Any shortfall shall be borne by the Noteholders and no liability shall attach to the Issuer.

3. CASH SETTLEMENT

If a Credit Event Determination Date has occurred, then where Cash Settlement is specified as the applicable Settlement Method in the Applicable Pricing Supplement or if Credit Linked Condition 2(b)(x) above applies, then, subject to any prior redemption in accordance with Credit Linked Condition 2 (*Auction Settlement*), the Issuer shall give notice (such notice a "**Cash Settlement Notice**") to the Noteholders in accordance with General Condition 17 (*Notices*), and, subject to these Credit Linked Conditions, in particular Credit Linked Condition 1 (*Redemption Following the Occurrence of a Credit Event*), redeem all but not some only of the Credit Linked Notes, each Credit Linked Note being redeemed by the Issuer at the Cash Settlement Amount in the relevant Payment Currency on the Cash Settlement Date.

In addition, the Issuer shall give notice (such notice a "**Notice of Valuation Settlement**") to the Noteholders in accordance with General Condition 17 (*Notices*). In the Notice of Valuation Settlement, the Issuer shall specify the Valuation Obligation(s) and the corresponding Outstanding Principal Balance(s) or Due and Payable Amount(s), as applicable, that it reasonably expects to use to determine the Final Price. The Issuer may, from time to time, amend a Notice of Valuation Settlement by delivering a notice to Noteholders in accordance with General Condition 17 (*Notices*), (each such notification, a "**Valuation Settlement Amendment Notice**") that the Issuer is replacing, in whole or in part, one or more Valuation Obligations specified in the Notice of Valuation Settlement or a prior Valuation Settlement Amendment Notice, as applicable. A Valuation Settlement Amendment Notice shall specify each replacement Valuation Obligation (each, a "**Replacement Valuation Obligation**") and shall also specify the Outstanding Principal Balance or Due and Payable Amount (determined on the same basis as in the definition of "Valuation Reference Holding") of each Valuation Obligation identified in the Notice of Valuation Settlement or a prior Valuation Settlement Amendment Notice, as applicable, that is being replaced or the equivalent Currency Amount of any such amount (with respect to each such Valuation Obligation, the "**Replaced Valuation Obligation Outstanding Amount**"). The Replacement Valuation Obligation(s), taken together, shall have an aggregate Replaced Valuation Obligation Outstanding Amount at least equal to the Outstanding Principal Balance(s) and/or Due and Payable Amount(s) (or the equivalent Currency Amount(s) of any such amount(s)) of the Valuation Obligations being replaced. Each such Valuation Settlement Amendment Notice must be effective on or prior to the first Valuation Date (determined without reference to any change resulting from such Valuation Settlement Amendment Notice). Notwithstanding the foregoing, (i) the Issuer may correct any errors or inconsistencies contained in the Notice of Valuation Settlement or any Valuation Settlement Amendment Notice, as applicable, by notice to Noteholders in

accordance with General Condition 17 (*Notices*), prior to the relevant first Valuation Date; and (ii) if Asset Package Delivery is applicable, the Issuer shall on the VSN Effective Date, or as soon as reasonably practicable thereafter (but in any case, prior to the first Valuation Date), notify the Noteholders (in accordance with General Condition 17 (*Notices*)) of the detailed description of the Asset Package, if any, in lieu of the Prior Deliverable Obligation or Package Observable Bond, if any, specified as Valuation Obligation(s) in the Notice of Valuation Settlement or Valuation Settlement Amendment Notice, as applicable, it being understood in each case that any such notice of correction shall not constitute a Valuation Settlement Amendment Notice.

If "*Mod R*" is specified in the Applicable Pricing Supplement and Restructuring is the only Credit Event specified in a Credit Event Notice, then unless the Valuation Obligation is a Prior Deliverable Obligation and Asset Package Delivery applies due to Governmental Intervention, a Valuation Obligation may be included in the Valuation Reference Holding only if it (i) is a Fully Transferable Obligation and (ii) has a final maturity date not later than the applicable Restructuring Maturity Limitation Date, in each case, as of each such date as the Calculation Agent determines relevant for purposes of the Hedging Arrangements, or if none at the relevant time, the VSN Effective Date.

If "*Mod R*" is specified in the Applicable Pricing Supplement and Restructuring is the only Credit Event specified in a Credit Event Notice, then unless the Valuation Obligation is a Prior Deliverable Obligation and Asset Package Delivery applies due to a Governmental Intervention, a Valuation Obligation may be included in the Valuation Reference Holding only if it (i) is a Conditionally Transferable Obligation and (ii) has a final maturity date not later than the applicable Modified Restructuring Maturity Limitation Date, in each case, as of each such date as the Calculation Agent determines relevant for purposes of the Hedging Arrangements or if none at the relevant time, the VSN Effective Date. For the purposes of this paragraph only and notwithstanding the foregoing, in the case of a Restructured Bond or Loan with a final maturity date on or prior to the 10-year Limitation Date, the final maturity date of such Bond or Loan shall be deemed to be the earlier of such final maturity date or the final maturity date of such Bond or Loan immediately prior to the relevant Restructuring.

The relevant Asset Package, if applicable, will be deemed to be a Valuation Obligation and the composition of the Asset Package and the Valuation Reference Holding in respect of each nominal amount of Credit Linked Notes equal to the Nominal Amount will be determined by reference to the relevant Prior Deliverable Obligation or Package Observable Bond specified as Valuation Obligation(s) in the relevant Notice of Valuation Settlement or Valuation Settlement Amendment Notice, as applicable. Where appropriate the Calculation Agent may make any adjustment in relation to provisions for valuation and determination of the Final Price to take account of the relevant Asset Package. Asset Package Delivery will apply if an Asset Package Credit Event occurs, unless (i) such Asset Package Credit Event occurs prior to (a) the Trade Date or, if earlier and if specified as applicable in the Applicable Pricing Supplement, the Credit Event Backstop Date determined in respect of the Credit Event specified in the Credit Event Notice or, (b) where Auction Settlement is specified as the applicable Settlement Method and Local Market Variation is specified as not applicable, in each case, in the Applicable Pricing Supplement, the Credit Event Backstop Date determined in respect of the Credit Event specified in the DC Credit Event Announcement applicable to the Credit Event Determination Date (regardless of whether the Credit Event Backstop Date is specified as applicable in the Applicable Pricing Supplement) or, if later and if Credit Event Backstop Date is not specified as applicable in the Applicable Pricing Supplement, the Trade Date, or (ii) if the Reference Entity is a Sovereign, no Package Observable Bond exists immediately prior to such Asset Package Credit Event. Notwithstanding the foregoing, if Sovereign No Asset Package Delivery is specified as applicable in the Applicable Pricing Supplement it shall be deemed that no Package

Observable Bond exists with respect to a Reference Entity that is a Sovereign (even if such a Package Observable Bond has been published by ISDA) and accordingly, Asset Package Delivery shall not apply thereto.

If a Credit Event Determination Date has occurred and the Notes become redeemable in accordance with this Credit Linked Condition 3 (*Cash Settlement*), upon payment of the Cash Settlement Amounts in respect of the Notes, the Issuer shall have discharged its obligations in respect of the Notes and shall have no other liability or obligation whatsoever in respect thereof. The Cash Settlement Amount may be less than the nominal amount of a Credit Linked Note. Any shortfall shall be borne by the Noteholders and no liability shall attach to the Issuer.

4. PHYSICAL SETTLEMENT

If a Credit Event Determination Date has occurred, then where Physical Settlement is specified as the applicable Settlement Method in the Applicable Pricing Supplement or Credit Linked Condition 2(b)(y) applies, the Issuer shall give notice (such notice, a "**Notice of Physical Settlement**") to the Noteholders in accordance with General Condition 17 (*Notices*) and subject to these Credit Linked Conditions, in particular Credit Linked Condition 1 (*Redemption Following the Occurrence of a Credit Event*), redeem all but not some only of the Credit Linked Notes, each Credit Linked Note being redeemed by the Issuer by the Delivery of the Deliverable Obligations comprising the Entitlement on the Physical Settlement Date, subject to and in accordance with this Credit Linked Condition 4 (*Physical Settlement*) and Credit Linked Condition 10 (*Partial Cash Settlement*). The relevant Asset Package, if applicable, will be deemed to be a Deliverable Obligation and the composition of the Asset Package and the Entitlement in respect of each nominal amount of Credit Linked Notes equal to the Nominal Amount will be determined by reference to the relevant Prior Deliverable Obligation or Package Observable Bond specified in the relevant Notice of Physical Settlement or Physical Settlement Amendment Notice, as applicable. Where appropriate the Calculation Agent may make any adjustment in relation to provisions for physical delivery and determination of the Entitlement to take account of the relevant Asset Package.

The Notice of Physical Settlement shall describe the Deliverable Obligations comprising the Entitlement that the Issuer reasonably expects to Deliver. For the avoidance of doubt, the Issuer shall be entitled to select any of the Deliverable Obligations to constitute the Entitlement, irrespective of their market value.

The Issuer may, from time to time, amend a Notice of Physical Settlement by delivering a notice to Noteholders in accordance with General Condition 17 (*Notices*), (each such notification, a "**Physical Settlement Amendment Notice**") that the Issuer is replacing, in whole or in part, one or more Deliverable Obligations specified in the Notice of Physical Settlement or a prior Physical Settlement Amendment Notice, as applicable, (to the extent the relevant Deliverable Obligation has not been Delivered as of the date such Physical Settlement Amendment Notice is effective). A Physical Settlement Amendment Notice shall specify each replacement Deliverable Obligation that the Issuer will Deliver (each, a "**Replacement Deliverable Obligation**") and shall also specify the Outstanding Principal Balance or Due and Payable Amount (determined on the same basis as in the definition of "Entitlement") of each Deliverable Obligation identified in the Notice of Physical Settlement or a prior Physical Settlement Amendment Notice, as applicable, that is being replaced or the equivalent Currency Amount of any such amount (with respect to each such Deliverable Obligation, the "**Replaced Deliverable Obligation Outstanding Amount**"). The Replacement Deliverable Obligation(s), taken together, shall have an aggregate Replaced Deliverable Obligation Outstanding Amount at least equal to the Outstanding Principal Balance(s) and/or Due and Payable Amount(s) (or the equivalent Currency Amount(s) of

any such amount(s)) of the Deliverable Obligations being replaced. Each such Physical Settlement Amendment Notice must be effective on or prior to the Physical Settlement Date (determined without reference to any change resulting from such Physical Settlement Amendment Notice). Notwithstanding the foregoing, (i) the Issuer may correct any errors or inconsistencies contained in the Notice of Physical Settlement or any Physical Settlement Amendment Notice, as applicable, by notice to the Noteholders in accordance with General Condition 17 (*Notices*), prior to the relevant Delivery Date; and (ii) if Asset Package Delivery is applicable, the Issuer shall on the PSN Effective Date, or as soon as reasonably practicable thereafter (but in any case, prior to the Delivery Date), notify the Noteholders (in accordance with General Condition 17 (*Notices*)) of the detailed description of the Asset Package, if any, that the Issuer will Deliver in lieu of the Prior Deliverable Obligation or Package Observable Bond, if any, specified in the Notice of Physical Settlement or Physical Settlement Amendment Notice, as applicable, it being understood in each case that any such notice of correction shall not constitute a Physical Settlement Amendment Notice.

If "*Mod R*" is specified in the Applicable Pricing Supplement and Restructuring is the only Credit Event specified in a Credit Event Notice, then unless the Deliverable Obligation is a Prior Deliverable Obligation and Asset Package applies due to a Governmental Intervention, a Deliverable Obligation may be included in the Entitlement only if it (i) is a Fully Transferable Obligation and (ii) has a final maturity date not later than the Restructuring Maturity Limitation Date, in each case, as of such date as the Calculation Agent determines relevant for the purposes of the Hedging Arrangements, or if none at the relevant time, both the PSN Effective Date and the Delivery Date, as applicable.

If "*Mod Mod R*" is specified in the Applicable Pricing Supplement and Restructuring is the only Credit Event specified in a Credit Event Notice, then unless the Deliverable Obligation is a Prior Deliverable Obligation and Asset Package applies due to a Governmental Intervention then a Deliverable Obligation may be included in the Entitlement only if it (i) is a Conditionally Transferable Obligation and (ii) has a final maturity date not later than the applicable Modified Restructuring Maturity Limitation Date, in each case, as of each such date as the Calculation Agent determines relevant for the purposes of the Hedging Arrangements, or if none at the relevant time, both the PSN Effective Date and the Delivery Date. For the purposes of this paragraph only and notwithstanding the foregoing, in the case of a Restructured Bond or Loan with a final maturity date on or prior to the 10-year Limitation Date, the final maturity date of such Bond or Loan shall be deemed to be the earlier of such final maturity date or the final maturity date of such Bond or Loan immediately prior to the relevant Restructuring.

Asset Package Delivery will apply if an Asset Package Credit Event occurs, unless (i) such Asset Package Credit Event occurs prior to (a) the Trade Date or, if earlier and if specified as applicable in the Applicable Pricing Supplement, the Credit Event Backstop Date determined in respect of the Credit Event specified in the Credit Event Notice or, (b) where Auction Settlement is specified as the applicable Settlement Method and Local Market Variation is specified as not applicable, in each case, as specified in the Applicable Pricing Supplement, the Credit Event Backstop Date determined in respect of the Credit Event specified in the DC Credit Event Announcement applicable to the Credit Event Determination Date (regardless of whether the Credit Event Backstop Date is specified as applicable in the Applicable Pricing Supplement) or, if later and if Credit Event Backstop Date is not specified as applicable in the Applicable Pricing Supplement, the Trade Date, or (ii) if the Reference Entity is a Sovereign, no Package Observable Bond exists immediately prior to such Asset Package Credit Event. Notwithstanding the foregoing, if Sovereign No Asset Package Delivery is specified as applicable in the Applicable Pricing Supplement, it shall be deemed that no Package Observable Bond exists with respect to a Reference Entity that is a Sovereign (even if such a Package Observable Bond has been published by ISDA) and accordingly, Asset Package Delivery shall not apply thereto.

If a Credit Event Determination Date has occurred and the Notes become redeemable in accordance with this Credit Linked Condition 4 (*Physical Settlement*), upon Delivery of the Deliverable Obligations and/or payment of the Partial Cash Settlement Amount, as the case may be, the Issuer shall have discharged its obligations in respect of the Credit Linked Notes and shall have no other liability or obligation whatsoever in respect thereof. The value of such Deliverable Obligations and/or the Partial Cash Settlement Amount may be less than the nominal amount of a Credit Linked Note. Any shortfall shall be borne by the Noteholders and no liability shall attach to the Issuer.

- 4.1 Subject as provided herein, the Issuer shall Deliver the Deliverable Obligations comprising the Entitlement to the Designated Transferee on or before the Physical Settlement Date in the manner referred to in Credit Linked Condition 4.2 below.
- 4.2 In order to obtain Delivery of the Deliverable Obligations comprising the Entitlement in respect of any Credit Linked Note, the relevant Noteholder must deliver to the Principal Paying Agent within five (5) Business Days of the date of delivery of the Notice of Physical Settlement (the "**Cut-Off Date**"), a duly completed Credit Asset Transfer Notice as referred to in Credit Linked Condition 4.3 below together with, where applicable, the Certificates relating to the Credit Linked Notes. No Credit Asset Transfer Notice may be withdrawn after receipt thereof. Where applicable, no transfers of the Credit Linked Notes the subject thereof will be effected by the Principal Paying Agent after delivery of a Credit Asset Transfer Notice.

Forms of the Credit Asset Transfer Notice may be obtained during normal business hours from the specified office of each Paying Agent.

- 4.3 A Credit Asset Transfer Notice shall:
- (a) specify the name of the Noteholder;
 - (b) specify the name, physical and postal address and the banking and securities safe custody account details of the Designated Transferee;
 - (c) specify the Nominal Amount of Credit Linked Notes which are the subject of such notice;
 - (d) irrevocably instruct and authorise the Principal Paying Agent to cancel the relevant Credit Linked Notes and Certificates;
 - (e) if Unwind Costs apply, specify a cash account to which any Unwind Costs Payment Amount can be paid;
 - (f) authorise the production of such notice in any applicable administrative or legal proceedings; and
 - (g) either (i) include an undertaking to pay all Delivery Expenses on or prior to the Delivery Expenses Cut-off Date (as defined below); or (ii) instruct the Issuer to deduct in the calculation of the Entitlement Obligations with a market value determined by the Calculation Agent equal to the Delivery Expenses.

Noteholders should note that if they elect to pay all Delivery Expenses but have not done so on or prior to the Delivery Expenses Cut-off Date, notwithstanding such election, the Delivery Expenses will be deducted in the calculation of the Entitlement as provided in the definition thereof.

If Unwind Costs apply and are negative, the absolute value of the Unwind Costs (the "**Unwind Costs Payment Amount**") will be payable to the Noteholder to the account specified for these purposes in their Credit Asset Transfer Notice on or prior to the Physical Settlement Date or the Latest Permissible Physical Settlement Date, as applicable, or, if Credit Linked Condition 10 (*Partial Cash Settlement*) applies, the last occurring Partial Cash Settlement Date.

Failure to properly complete and deliver a Credit Asset Transfer Notice and, where applicable, the relevant Certificates, may result in such notice being treated as null and void. Any determination as to whether such notice has been properly completed and delivered shall be made by the Principal Paying Agent in its sole and absolute discretion and shall be binding on the relevant Noteholder and the Issuer.

- 4.4 Upon receipt of a duly completed Credit Asset Transfer Notice, the Principal Paying Agent shall, in the case of Registered Notes, verify that the person specified in the notice as the Noteholder is the holder of the Note referred to therein according to the Register, and in the case of Bearer Notes, the Principal Paying Agent may for all purposes regard the person disclosed as the Noteholder in the Credit Asset Transfer Notice as the holder of the Note and the Principal Paying Agent shall not be required to perform any further verification or confirmation as to the identity of the holder of the Note.

The Deliverable Obligations comprising the Entitlement in respect of each Credit Linked Note will be Delivered at the risk of the relevant Noteholder in such commercially reasonable manner as the Calculation Agent shall in its sole discretion determine and the Issuer shall notify to the Designated Transferee or in such manner as specified in the Applicable Pricing Supplement. Any Designated Transferee other than the Noteholder shall be deemed to be the duly authorised agent of the Noteholder and any Delivery or payment to such person shall be deemed for all purposes to be a Delivery or payment to the Noteholder and shall satisfy the Issuer's obligations in respect thereof. Such person shall not be entitled to enforce any of the Noteholder's rights against the Issuer and the Issuer shall have no liability or obligation to or in respect of the Designated Transferee. By delivery of a Credit Asset Transfer Notice, the Noteholder shall be deemed to represent that the Designated Transferee has agreed to the foregoing.

If the Credit Asset Transfer Notice and where applicable, the relevant Certificates, are delivered to the Issuer later than close of business on the Cut-Off Date, then the Deliverable Obligations comprising the Entitlement in respect of the relevant Credit Linked Notes will be Delivered as soon as practicable after the date on which the duly completed Credit Asset Transfer Notice is received, at the risk of the relevant Noteholder in the manner provided above. For the avoidance of doubt, such Noteholder shall not be entitled to any payment or to other assets, whether in respect of interest or otherwise, in the event of such later Delivery of the Deliverable Obligations comprising the Entitlement and such later Delivery shall not constitute an Event of Default.

If the Noteholder fails to deliver a Credit Asset Transfer Notice in the manner set out herein or, where applicable, fails to deliver the Certificates related thereto within one calendar year of the Credit Event Determination Date, the Issuer shall be discharged from its obligations in respect of such Credit Linked Notes and shall have no further obligation or liability whatsoever in respect thereof.

- 4.5 If, on the Physical Settlement Date, the Calculation Agent determines that any Deliverable Obligations comprising an Entitlement are Undeliverable Obligations, the Issuer shall Deliver or procure the Delivery of the Deliverable Obligations which it is not impossible, impracticable or illegal to Deliver and, as soon as possible thereafter, the Issuer shall Deliver or procure the Delivery of the Undeliverable Obligations.

If all or a portion of such Undeliverable Obligations are not Delivered by the Latest Permissible Physical Settlement Date, the provisions of Credit Linked Condition 10 (*Partial Cash Settlement*) shall apply.

The relevant Noteholder shall not be entitled to any payment or to other assets, whether in respect of interest or otherwise, in the event of such late Delivery of or failure to Deliver such Undeliverable Obligations and such late Delivery or failure to Deliver shall not constitute an Event of Default.

- 4.6 Until Delivery of the Deliverable Obligations comprising the Entitlement is made, the Issuer or any person holding such assets on behalf of the Issuer shall continue to be the legal owner of those assets. After Delivery of the Deliverable Obligations comprising the Entitlement and for the Intervening Period, none of the Issuer, the Calculation Agent nor any other person shall at any time (i) be under any obligation to deliver or procure delivery to the Noteholder or its Designated Transferee of any letter, certificate, notice, circular or any other document or payment whatsoever received by that person in respect of the securities or obligations included in such Entitlement, (ii) be under any obligation to exercise or procure the exercise of any or all rights (including voting rights) attaching or appertaining to such securities or obligations included in such Entitlement or (iii) be under any liability to a Noteholder for any loss, liability, damage, cost or expense that such Noteholder may sustain or suffer as a result, whether directly or indirectly, of that person being registered during such Intervening Period as legal owner of such securities or obligations included in such Entitlement.
- 4.7 Where the Entitlement is, in the determination of the Issuer, an amount other than an amount of Deliverable Obligation(s) capable of being Delivered at the relevant time, (i) the Issuer shall not Deliver and the relevant Noteholder shall not be entitled to receive in respect of its Notes that fraction of a Deliverable Obligation which is less than a whole number (the "**Fractional Entitlement**") and (ii) the Issuer shall pay to the relevant Noteholder a cash amount (to be paid at the same time as Delivery of the Deliverable Obligations comprising the Entitlement) equal to the fair market value (as determined by the Calculation Agent) of such Fractional Entitlement.
- 4.8 The costs, taxes, duties and/or expenses (including stamp duty, stamp duty reserve tax and/or other costs, duties or taxes) (the "**Delivery Expenses**") of effecting any Delivery of the Deliverable Obligations comprising the Entitlement (except for the expenses of delivery by uninsured regular mail (if any) which shall be borne by the Issuer) shall, in the absence of any provision to the contrary in the Applicable Pricing Supplement, be borne by the relevant Noteholder and shall, unless otherwise specified in the Applicable Pricing Supplement, either be:
- (a) paid to the Issuer by such Noteholder on or prior to the day falling 10 (ten) Business Days following the date of delivery of the Credit Asset Transfer Notice (the "**Delivery Expenses Cut-off Date**") and in any event prior to the Delivery of the Deliverable Obligations comprising the Entitlement (and, for the avoidance of doubt, the Issuer shall not be required to Deliver such Deliverable Obligations until it has received such payment); or
 - (b) if so instructed by such Noteholder in the Credit Asset Transfer Notice or if the Noteholder has not paid the Delivery Expenses on or prior to the Delivery Expenses Cut-off Date, deducted by the Issuer in the calculation of the Entitlement.

5. ACCRUAL OF INTEREST

If:

- (i) "Accrual of Interest upon Credit Event" is specified as not applicable in the Applicable Pricing Supplement, no interest shall be payable (and accordingly will be deemed not to have accrued) in respect of a Note in respect of which the relevant date for payment thereof (as may be adjusted pursuant to these Credit Linked Conditions) has not occurred on or prior to the Credit Event Determination Date, or, if the Credit Event Determination Date falls prior to the first interest payment date, no interest shall accrue on the Notes; or
- (ii) "Accrual of Interest upon Credit Event" is specified as applicable in the Applicable Pricing Supplement, each Note shall cease to bear interest from the Credit Event Determination Date,

provided that, if:

- (A) Credit Linked Condition 6 (*Repudiation/Moratorium Extension*), Credit Linked Condition 7 (*Grace Period Extension*) or Credit Linked Condition 8 (*Credit Derivatives Determinations Committee Extension*) applies in respect of the Notes and, in the case of Credit Linked Condition 6 (*Repudiation/Moratorium Extension*), a Repudiation/Moratorium has not occurred on or prior to the Repudiation/Moratorium Evaluation Date or, in the case of Credit Linked Condition 7 (*Grace Period Extension*) a Failure to Pay has not occurred on or prior to the Grace Period Extension Date or, in the case of Credit Linked Condition 8 (*Credit Derivatives Determinations Committee Extension*), a Credit Event has not occurred on or prior to the DC Determination Cut-off Date, as the case may be; and/or

- (a) where a Failure to Pay has not occurred on or prior to the Grace Period Extension Date:
 - (i) each Note will be redeemed by the Issuer at the Final Redemption Amount on the Grace Period Extension Date; and

- (a) where a Credit Event has not occurred on or prior to the DC Determination Cut-off Date:

In the Partial Cash Settlement Notice, the Issuer must give details of why it is unable to deliver the relevant Undeliverable Obligations or Hedge Disruption Obligation, as the case may be.

- 10.2 Unless otherwise specified in the Applicable Pricing Supplement, for the purposes of this Credit Linked Condition 10 (*Partial Cash Settlement*) only the following terms shall be defined as follows and such definitions will apply notwithstanding other definitions of such terms in Credit Linked Condition 12 (*Credit Linked Definitions*):

"Indicative Quotation" means, in accordance with the Quotation Method, each quotation obtained from a Quotation Dealer at the Valuation Time for (to the extent reasonably practicable) an amount of the Undeliverable Obligation or Hedge Disruption Obligations, as the case may be, equal to the Quotation Amount, which reflects such Quotation Dealer's reasonable assessment of the price of such Undeliverable Obligation or Hedge Disruption Obligation, as the case may be, based on such factors as such Quotation Dealer may consider relevant, which may include historical prices and recovery rates.

"Market Value" means, with respect to an Undeliverable Obligation or Hedge Disruption Obligation, as the case may be, on a Valuation Date, (i) if more than three Full Quotations are obtained, the arithmetic mean of such Full Quotations, disregarding the Full Quotations having the highest and lowest values (and, if more than one such Full Quotations have the same highest or lowest value, then one of such highest or lowest Full Quotations shall be disregarded); (ii) if exactly three Full Quotations are obtained, the Full Quotation remaining after disregarding the highest and lowest Full Quotations (and, if more than one such Full Quotations have the same highest value or lowest value, then one of such highest or lowest Full Quotations shall be disregarded); (iii) if exactly two Full Quotations are obtained, the arithmetic mean of such Full Quotations; (iv) if fewer than two Full Quotations are obtained and a Weighted Average Quotation is obtained, such Weighted Average Quotation; (v) if Indicative Quotations are specified as applying in the Applicable Pricing Supplement and exactly three Indicative Quotations are obtained, the Indicative Quotation remaining after disregarding the highest and lowest Indicative Quotations (and, if more than one such Indicative Quotations have the same highest or lowest value, then one of such highest or

lowest Indicative Quotations shall be disregarded); (vi) if fewer than two Full Quotations are obtained and no Weighted Average Quotation is obtained (and, if Indicative Quotations are applicable, fewer than three Indicative Quotations are obtained) then, subject to paragraph (a) of the definition of "Quotation" below, an amount as determined by the Calculation Agent on the next Business Day on which at least two Full Quotations or a Weighted Average Quotation or, if applicable, three Indicative Quotations are obtained; and (vii) if fewer than two Full Quotations are obtained and no Weighted Average Quotation is obtained (and, if Indicative Quotations are applicable, fewer than three Indicative Quotations are obtained) on the same Business Day on or prior to the tenth Business Day following the Valuation Date the Market Value shall be any Full Quotation obtained from a Quotation Dealer at the Valuation Time on such tenth Business Day or, if no Full Quotation is obtained, the weighted average of any firm quotations (or, if applicable, Indicative Quotations) for the Undeliverable Obligation or Hedge Disruption Obligation, as the case may be, obtained from Quotation Dealers at the Valuation Time on such tenth Business Day with respect to the aggregate portion of the Quotation Amount for which such quotations were obtained and a quotation deemed to be zero for the balance of the Quotation Amount for which firm quotations (or, if applicable, Indicative Quotations) were not obtained on such day.

There shall be no **"Minimum Quotation Amount"**.

"Partial Cash Settlement Amount" is deemed to be, for an Undeliverable Obligation or a Hedge Disruption Obligation, as the case may be, an amount calculated by the Calculation Agent equal to the greater of (i) (A) the Outstanding Principal Balance, the Due and Payable Amount or the Currency Amount, as applicable, of each Undeliverable Obligation or Hedge Disruption Obligation, as the case may be, multiplied by (B) the Final Price with respect to such Undeliverable Obligation or Hedge Disruption Obligation, determined as provided in this Credit Linked Condition less if applicable (C) a *pro rata* share of Unwind Costs, if any (but excluding any Unwind Costs already taken into account in calculating the relevant Entitlement), and (ii) zero provided that where (i) the relevant Undeliverable Obligation or Hedge Disruption Obligation forms part of the Asset Package and the Calculation Agent determines in its sole discretion that a Final Price cannot reasonably be determined in respect of such Undeliverable Obligation or Hedge Disruption Obligation, then the Partial Cash Settlement Amount will be an amount calculated by the Calculation Agent in its sole discretion equal to the fair market value of the relevant Undeliverable Obligation or Hedge Disruption Obligation less Unwind Costs.

"Partial Cash Settlement Date" is deemed to be the date falling three (3) Business Days after the calculation of the Final Price.

"Quotation" means each Full Quotation, the Weighted Average Quotation and, if Indicative Quotations are specified as applying in the Applicable Pricing Supplement, each Indicative Quotation obtained and expressed as a percentage of the Outstanding Principal Balance or Due and Payable Amount, as applicable, of the relevant Undeliverable Obligation or Hedge Disruption Obligation with respect to a Valuation Date in the manner that follows:

- (a) The Calculation Agent shall attempt to obtain Full Quotations with respect to each Valuation Date from five or more Quotation Dealers. If the Calculation Agent is unable to obtain two or more such Full Quotations on the same Business Day within three (3) Business Days of a Valuation Date, then on the next following Business Day (and, if necessary, on each Business Day thereafter until the tenth Business Day following the relevant Valuation Date) the Calculation Agent shall attempt to obtain Full Quotations from five or more Quotation Dealers, and, if two or more Full Quotations are not available, a Weighted Average Quotation. If two or more such Full Quotations or a Weighted Average Quotation are not available on any such

Business Day and Indicative Quotations are specified as applying in the Applicable Pricing Supplement, the Calculation Agent shall attempt to obtain three Indicative Quotations from five or more Quotation Dealers.

- (b) If the Calculation Agent is unable to obtain two or more Full Quotations or a Weighted Average Quotation (or, if Indicative Quotations are specified as applying in the Applicable Pricing Supplement, three Indicative Quotations) on the same Business Day on or prior to the tenth Business Day following the Valuation Date, the Quotations shall be deemed to be any Full Quotation obtained from a Quotation Dealer at the Valuation Time on such tenth Business Day or, if no Full Quotation is obtained, the weighted average of any firm quotations (or, if applicable, Indicative Quotations) for the Undeliverable Obligation or the Hedge Disruption Obligation, as the case may be, obtained from Quotation Dealers at the Valuation Time on such tenth Business Day with respect to the aggregate portion of the Quotation Amount for which such quotations were obtained and a quotation deemed to be zero for the balance of the Quotation Amount for which firm quotations (or, if applicable, Indicative Quotations) were not obtained on such day.
- (c) The Calculation Agent shall determine, based on the then current market practice in the market of the relevant Undeliverable Obligation or Hedge Disruption Obligations, as the case may be, whether such Quotations shall include or exclude accrued but unpaid interest. All Quotations shall be obtained in accordance with this determination.

"Quotation Amount" is deemed to be, with respect to each type or issue of Undeliverable Obligation or Hedge Disruption Obligation, as the case may be, an amount equal to at least the Outstanding Principal Balance or Due and Payable Amount (or, in either case, its equivalent in the relevant Obligation Currency converted by the Calculation Agent by reference to exchange rates in effect at the time that the relevant Quotation is being obtained), as applicable, of such Undeliverable Obligation or Hedge Disruption Obligations, as the case may be.

"Quotation Method" is deemed to be Bid.

"Reference Obligation" is deemed to be each Undeliverable Obligation or Hedge Disruption Obligation, as the case may be.

"Valuation Method" is deemed to be Highest unless fewer than two Full Quotations are obtained, or a Weighted Average Quotation applies (or, if applicable, Indicative Quotations), in which case "Valuation Method" is deemed to be Market.

"Valuation Time" is the time specified as such in the Applicable Pricing Supplement, or, if no time is so specified, 11:00 a.m. in the principal trading market for the Undeliverable Obligation or the Hedge Disruption Obligation, as the case may be.

"Weighted Average Quotation" means, in accordance with the Quotation Method, the weighted average of firm quotations obtained from Quotation Dealers at the Valuation Time, to the extent reasonably practicable, each for an amount of the Undeliverable Obligation or the Hedge Disruption Obligation, as the case may be, with an Outstanding Principal Balance or Due and Payable Amount, as applicable, of as large a size as available but less than the Quotation Amount that in aggregate are approximately equal to the Quotation Amount.

Once the relevant DC Credit Event Announcement or DC Credit Event Question Dismissal has occurred, the relevant timing requirements of the Credit Linked Conditions that have previously tolled or been suspended shall resume on the Business Day following such public announcement by the DC Secretary.

In the event of any such Suspension Period, the Calculation Agent may make (x) such consequential or other adjustment(s) or determination(s) to or in relation to the General Conditions and these Credit Linked Conditions as may be desirable or required either during or following any relevant Suspension Period to account for or reflect such suspension and (y) determine the effective date of such adjustment(s) or determination(s).

- (2) the redenomination from euros into another currency, if (A) the redenomination occurs as a result of action taken by a Governmental Authority of a Member State of the European Union which is of general application in the jurisdiction of such Governmental Authority and (B) a freely available market rate of conversion between euros and such other currency existed at the time of such redenomination and there is no reduction in the rate or amount of interest, principal or premium payable, as determined by reference to such freely available market rate of conversion;

- (4) the occurrence of, agreement to or announcement of any of the events described in (a) to (e) above in circumstances where such event does not directly or indirectly result from a deterioration in the creditworthiness or financial condition of the Reference Entity, provided that in respect of paragraph (e) above only, no such deterioration in the creditworthiness or financial condition of the Reference Entity is required where the redenomination is from euros into another currency and occurs as a result of action taken by a Governmental Authority of a Member State of the

European Union which is of general application in the jurisdiction of such Governmental Authority.

 - (2) for any reason, other than due to the existence or occurrence of a Credit Event, the Non-Standard Reference Obligation is no longer an obligation of the Reference Entity (either directly or as provider of a guarantee).

For purposes of identification of the Non-Standard Reference Obligation, any change in the Non-Standard Reference Obligation's CUSIP or ISIN number or other similar identifier will not, in and of itself, constitute a Substitution Event. If an event described in paragraph (a) or (b)(i) above has occurred on or prior to the Trade Date, then a Substitution Event shall be deemed to have occurred pursuant to paragraph (a) or (b)(i) above as the case may be, on the Trade Date.

"Successor"

(but less than seventy-five per cent.) of the Relevant Obligations of the Reference Entity, and not more than twenty-five per cent. of the Relevant Obligations of the Reference Entity remain with the Reference Entity, the entity that succeeds to more than twenty-five per cent. of the Relevant Obligations will be the sole Successor;
 - (3) if more than one entity each succeeds directly as a provider of a Relevant Guarantee, to more than twenty-five per cent. of the

Relevant Obligations of the Reference Entity, and not more than twenty-five per cent. of the Relevant Obligations of the Reference Entity remain with the Reference Entity, the entities that succeed to more than twenty-five per cent. of the Relevant Obligations will each be a Successor and the General Conditions, these Credit Linked Conditions and/or the Applicable Pricing Supplement will be adjusted as provided below;

- (4) if one or more entity each succeed directly as a provider of a Relevant Guarantee, to more than twenty-five per cent. of the Relevant Obligations of the Reference Entity, and more than twenty-five per cent. of the Relevant Obligations of the Reference Entity remain with the Reference Entity, each such entity and the Reference Entity will each be a Successor and the General Conditions, these Credit Linked Conditions and/or the Applicable Pricing Supplement will be adjusted as provided below;
- (5) if one or more entities succeed directly as a provider of a Relevant Guarantee, to a portion of the Relevant Obligations of the Reference Entity, but no entity succeeds to more than twenty-five per cent. of the Relevant Obligations of the Reference Entity and the Reference Entity continues to exist, there will be no Successor and the Reference Entity will not be changed in any way as a result of such succession;
- (6) if one or more entities succeed, either directly or indirectly, as a provider of a Relevant Guarantee, to a portion of the Relevant Obligations of the Reference Entity, but no entity succeeds to more than twenty-five per cent. of the Relevant Obligations of the Reference Entity and the Reference Entity ceases to exist, the entity which succeeds to the greatest percentage of Relevant Obligations will be the Successor (provided that if two or more entities succeed to an equal percentage of Relevant Obligations, each such entity will be a Successor and the General Conditions, these Credit Linked Conditions and/or the Applicable Pricing Supplement will be adjusted as provided below); and

- (7) in respect of a Reference Entity which is not a Sovereign, if one entity assumes all of the obligations (including at least one Relevant Obligation) of the Reference Entity, and at the time of the determination either (A) the Reference Entity has ceased to exist, or (B) the Reference Entity is in the process of being dissolved (howsoever described) and the Reference Entity has not issued or incurred any Borrowed Money obligation at any time since the legally effective date of the assumption, such entity (the Universal Successor) will be the sole Successor; and
- (b) An entity may only be a Successor if:
 - (1) either (A) the related Succession Date occurs on or after the Successor Backstop Date, or (B) such entity is a Universal Successor in respect of which the Succession Date occurred on or after 1 January 2014;
 - (2) the Reference Entity had at least one Relevant Obligation outstanding immediately prior to the Succession Date and such entity succeeds to all or part of at least one Relevant Obligation of the Reference Entity; and

The Calculation Agent will be responsible for determining, as soon as reasonably practicable after delivery of a Successor Notice and with effect from the Succession Date, any Successor or Successors under paragraph (a) above,

Provided That where Auction Settlement is specified as the applicable Settlement Method in the Applicable Pricing Supplement, the Calculation Agent will not make any such determination if, at the time of determination, the DC Secretary has publicly announced that the relevant Credit Derivatives Determinations Committee has Resolved that there is no Successor based on the relevant succession to Relevant Obligations.

The Calculation Agent will make all calculations and determinations required to be made under this definition of "Successor" on the basis of Eligible Information and will, as soon as practicable after such calculation or determination, make such calculation or determination available for inspection by Noteholders at the specified office of the Paying Agent. In calculating the percentages used to determine whether an entity qualifies as a Successor under paragraph (a) above, if there is a Steps Plan, the Calculation Agent shall consider all related successions in respect of such Steps Plan in aggregate as if forming part of a single succession.

Where pursuant to paragraph (a)(iii), (a)(iv) or (a)(v) or (b) above, more than one Successor has been identified, the Calculation Agent shall adjust such of the General Conditions, these Credit Linked Conditions and/or the Applicable Pricing Supplement as it shall determine to be appropriate to reflect that the Reference Entity has been succeeded by more than one Successor and shall determine the effective date of that adjustment. The Calculation Agent shall be deemed to be acting in a commercially reasonable manner if it adjusts such of the General Conditions, these Credit Linked Conditions and/or the Applicable Pricing Supplement in such a manner as to reflect the adjustment to and/or division of any credit derivative transaction(s) related to or underlying the Credit Linked Notes under the provisions of the 2014 ISDA Credit Derivatives Definitions.

Upon the Calculation Agent making such adjustment, the Issuer shall give notice as soon as practicable to Noteholders in accordance with General Condition 17 (*Notices*) stating the adjustment to the General Conditions, these Credit Linked Conditions and/or the Applicable Pricing Supplement and giving brief details of the relevant Successor event.

If two or more entities (each, a "**Joint Potential Successor**") jointly succeed to a Relevant Obligation (the "**Joint Relevant Obligation**") either directly or as a provider of a Relevant Guarantee, then (i) if the Joint Relevant Obligation was a direct obligation of the Reference Entity, it shall be treated as having been succeeded to by the Joint Potential Successor (or Joint Potential Successors, in equal parts) which succeeded to such Joint Relevant Obligation as direct

obligor or obligors, or (ii) if the Joint Relevant Obligation was a Relevant Guarantee, it shall be treated as having been succeeded to by the Joint Potential Successor (or Joint Potential Successors, in equal parts) which succeeded to such Joint Relevant Obligation as guarantor or guarantors, if any, or otherwise by each Joint Potential Successor in equal parts.

For the purposes of this definition of "Successor", "succeed" means, with respect to the Reference Entity and its Relevant Obligations, that an entity other than the Reference Entity (i) assumes or becomes liable for such Relevant Obligations whether by operation of law or pursuant to any agreement (including, with respect to a Reference Entity that is a Sovereign, any protocol, treaty, convention, accord, concord, entente, pact or other agreement), or (ii) issues Bonds or incurs Loans (the "**Exchange Bonds**" or "**Loans**") that are exchanged for Relevant Obligations, and in either case the Reference Entity is not thereafter a direct obligor or a provider of a Relevant Guarantee with respect to such Relevant Obligations or such Exchange Bonds or Loans, as applicable. For purposes of this definition of "Successor", "succeeded" and "succession" shall be construed accordingly. In the case of an exchange offer, the determinations required pursuant to paragraph (a) of this definition of "Successor" shall be made on the basis of the outstanding principal balance of Relevant Obligations exchanged and not on the basis of the outstanding principal balance of the Exchange Bonds or Loans.

"Successor Backstop Date"

Each such form of Credit Derivatives Auction Settlement Terms shall set out, *inter alia*, definitions of "Auction", "Auction Cancellation Date", "Auction Covered Transaction" and "Auction Final Price Determination Date" in relation to the relevant Credit Event. The Transaction Auction Settlement Terms for purposes of the Credit Linked Notes shall be the relevant form of Credit Derivatives Auction Settlement Terms for which the Reference Transaction would be an Auction Covered Transaction (as such term will be set out in the relevant Credit Derivatives Auction Settlement Terms). 13. CREDIT EVENT NOTICE AFTER RESTRUCTURING CREDIT EVENT

If this Credit Linked Condition 13 (*Credit Event Notice After Restructuring Credit Event*) is specified as applicable in the Applicable Pricing Supplement, then, notwithstanding anything to the contrary in these Terms and Conditions, upon the occurrence of an M(M)R Restructuring:

- (a) the Calculation Agent may deliver multiple Credit Event Notices in respect of such M(M)R Restructuring, each such Credit Event Notice setting forth the nominal amount of those Notes to which such Restructuring Credit Event applies (the **"Partial Redemption Amount"**) that may be less than the aggregate nominal amount of those Notes outstanding immediately prior to the delivery of such Credit Event Notice. In such circumstances the Credit Linked Conditions and related provisions shall be deemed to apply to the Partial Redemption Amount only and each such Note shall be redeemed in part (such redeemed part being equal to the Partial Redemption Amount);
- (b) for the avoidance of doubt (A) the nominal amount of each Note not so redeemed in part shall remain outstanding and interest shall accrue on the nominal amount outstanding of such Note as provided in General Condition 8 (*Payments*) (adjusted in such manner as the Calculation Agent determines to be appropriate), (B) the Credit Linked Conditions and related provisions shall apply to such nominal amount outstanding of such Note in the event that subsequent Credit Event Notices are delivered in respect of the Reference Entity that was the subject of the Restructuring Credit Event and (C) if, following a Restructuring Credit Event, different Credit Event Determination Dates have been determined with respect to different portions of amounts payable or deliverable to Noteholders under the relevant Series, the Calculation Agent will (x) determine such adjustment(s) to these Terms and Conditions as may be required to achieve as far as practicable the same economic effect as if each such portion was a separate series or otherwise reflect or account for the effect of the above provisions of this Credit Linked Condition 13 (*Credit Event Notice After Restructuring Credit Event*) and (y) the effective date of such adjustment(s); and
- (c) on redemption of part of each such Note, in the case of Registered Notes, the Register and in the case of Bearer Notes, the Notes shall be endorsed to reflect such part redemption.

14. PROVISIONS RELATING TO MULTIPLE HOLDER OBLIGATION

Unless this Credit Linked Condition 14 (*Provisions Relating to Multiple Holder Obligation*) is specified as not applicable in the Applicable Pricing Supplement, then, notwithstanding anything to the contrary in the definition of "Restructuring" and related provisions, the occurrence of, agreement to, or announcement of, any of the events described in subparagraphs (a) to (e) of the definition of "Restructuring" shall not be a Restructuring unless the Obligation in respect of any such events is a Multiple Holder Obligation.

"Multiple Holder Obligation" means an Obligation that (i) at the time of the event which constitutes a Restructuring Credit Event is held by more than three holders that are not Affiliates of each other and (ii) with respect to which a percentage of holders (determined pursuant to the terms of the Obligation as in effect on the date of such event) at least equal to sixty-six and two-thirds is required to consent to the event which constitutes a Restructuring Credit Event, provided that any Obligation that is a Bond shall be deemed to satisfy the requirement in paragraph (ii) above.

15. CALCULATION AGENT NOTICES.

Any notice to be delivered by the Calculation Agent to the Issuer, as applicable, pursuant to these Credit Linked Conditions may be given in writing (including by facsimile and/or email) and/or by telephone. Any such notice will be effective when given, regardless of the form in which it is delivered. A notice given by telephone will be deemed to have been delivered at the time the telephone conversation takes place. If the notice is delivered by telephone, a written confirmation will be executed and delivered confirming the substance of that notice within one Calculation Agent City Business Day of that notice. Failure to provide that written confirmation will not affect the effectiveness of that telephonic notice.

For the purposes of determining the day on which an event occurs for purposes of these Credit Linked Conditions, the Calculation Agent will determine the demarcation of days by reference to Greenwich Mean Time (or, if the Reference Entity has a material connection to Japan for these purposes, Tokyo time) irrespective of the time zone in which such event occurred. Any event occurring at midnight shall be deemed to have occurred immediately prior to midnight.

In addition, if a payment is not made by the Reference Entity on its due date or, as the case may be, on the final day of the relevant Grace Period, then such failure to make a payment shall be deemed to have occurred on such day prior to midnight Greenwich Mean Time (or, if the Reference Entity has a material connection to Japan for these purposes, Tokyo time), irrespective of the time zone of its place of payment.

16. EARLY REDEMPTION OF REFERENCE OBLIGATION ONLY NOTES FOLLOWING A SUBSTITUTION EVENT

If the Notes are Reference Obligation Only Notes relating to a single Reference Entity and the event set out in paragraph (a) of the definition of "Substitution Event" above occurs with respect to the Reference Obligation, then:

- (a) interest (if any) shall cease to accrue on the Notes from and including the Interest Payment Date immediately preceding the relevant Substitution Event Date or, if no Interest Payment Date has occurred, no interest will accrue on the Credit Linked Notes; and
- (b) each Note will be redeemed by the Issuer at its relevant Reference Obligation Only Termination Amount specified in, or determined in the manner specified in, the

Applicable Pricing Supplement in the Specified Currency on the Maturity Date, which for the purposes of this Credit Linked Condition 16 (*Early Redemption of Reference Obligation Only Notes Following a Substitution Event*) shall be the day falling 5 (five) Business Days following the relevant Substitution Event Date.

17. DC RESOLUTION ADJUSTMENT EVENTS

Where Auction Settlement is specified as the applicable Settlement Method in the Applicable Pricing Supplement, if following the publication of a DC Resolution (the "**Prior DC Resolution**"), a further DC Resolution (the relevant "**Further DC Resolution**") is published the effect of which would be to reverse all or part of the Prior DC Resolution or if any DC Resolution would reverse any determination made by the Calculation Agent and/or the occurrence of a Credit Event Determination Date, notwithstanding any other provisions of these Credit Linked Conditions the Calculation Agent may, in its sole and absolute discretion, make any adjustment(s) that the Calculation Agent determines is necessary or desirable to the General Conditions or these Credit Linked Conditions to reflect the publication of such Further DC Resolution or DC Resolution, including, without limitation, as a result of the impact or effect of such Further DC Resolution or DC Resolution on the Issuer's Hedging Arrangements (if any at the relevant time), or if none at the relevant time, the PSN Effective Date or the Delivery Date, as applicable. Following publication of such Further DC Resolution or DC Resolution, as the case may be, the Note shall continue on the same terms and conditions as applied immediately prior to the Prior DC Resolution or Calculation Agent determination subject to the provisions of this Credit Linked Condition 17 (*Dc Resolution Adjustment Events*), any necessary amendments arising from the Prior DC Resolution or Calculation Agent determination that were not amended or reversed in the Further DC Resolution or DC Resolution, as the case may be, or any necessary new amendments arising in the Further DC Resolution or DC Resolution.

18. 2019 NARROWLY TAILORED CREDIT EVENT PROVISIONS

If "2019 Narrowly Tailored Credit Event Provisions" is specified as applicable in the Applicable Pricing Supplement, the following provisions shall apply for the purpose of the Notes.

(a) Outstanding Principal Balance

The definition of "Outstanding Principal Balance" in Credit Linked Condition 12 (*Credit Linked Definitions*) is hereby deleted in its entirety and replaced with the following:

""Outstanding Principal Balance" means the outstanding principal balance of an obligation which will be calculated as follows:

- (a) first, by determining, in respect of the obligation, the amount of the Reference Entity's principal payment obligations and, where applicable in accordance with the definition of Accrued Interest above, the Reference Entity's accrued but unpaid interest payment obligations (which, in the case of a Guarantee will be the lower of (i) the Outstanding Principal Balance (including accrued but unpaid interest, where applicable) of the Underlying Obligation (determined as if references to the Reference Entity were references to the Underlying Obligor) and (ii) the amount of the Fixed Cap, if any);

- (b) second, by subtracting all or any portion of such amount which, pursuant to the terms of the obligation, (i) is subject to any Prohibited Action, or (ii) may otherwise be reduced as a result of the effluxion of time or the occurrence or non-occurrence of an event or circumstance (other than by way of (A) payment or (B) a Permitted Contingency) (the amount determined in accordance with paragraph (a) above) less any amounts subtracted in accordance with this paragraph (b), the "**Non-Contingent Amount**"; and
- (c) third, by determining the Quantum of the Claim, which shall then constitute the Outstanding Principal Balance,

in each case, determined:

- (1) unless otherwise specified, in accordance with the terms of the obligation in effect on either (A) (1) the relevant PSN Effective Date (or if the terms of the obligation are amended after such date but on or prior to the Delivery Date, the Delivery Date) or (2) the relevant VSN Effective Date (or if the terms of the obligation are amended after such date but on or prior to the first Valuation Date, the first Valuation Date), as applicable, or (B) the relevant Valuation Date; and
- (2) with respect to the Quantum of the Claim only, in accordance with any applicable laws (insofar as such laws reduce or discount the size of the claim to reflect the original issue price or accrued value of the obligation).

For the purposes of paragraph (ii) above, "applicable laws" shall include any bankruptcy or insolvency law or other law affecting creditors' rights to which the relevant obligation is, or may become, subject.

If "Fallback Discounting" is specified as applicable in the Applicable Pricing Supplement, then notwithstanding the above, if (i) the Outstanding Principal Balance of an obligation is not reduced or discounted under paragraph (ii) above, (ii) that obligation is either a Bond that has an issue price less than ninety-five per cent. of the principal redemption amount or a Loan where the amount advanced is less than ninety-five per cent. of the principal repayment amount, and (iii) such Bond or Loan does not include provisions relating to the accretion over time of the amount which would be payable on an early redemption or repayment of such Bond or Loan that are customary for the applicable type of Bond or Loan as the case may be, then

the Outstanding Principal Balance of such Bond or Loan shall be the lesser of (a) the Non-Contingent Amount; and (b) an amount determined by straight line interpolation between the issue price of the Bond or the amount advanced under the Loan and the principal redemption amount or principal repayment amount, as applicable.

For the purposes of determining whether the issue price of a Bond or the amount advanced under a Loan is less than ninety-five per cent. of the principal redemption amount or principal repayment amount (as applicable) or, where applicable, for applying straight line interpolation:

- (x) where such Bond or Loan was issued as a result of an exchange offer, the issue price or amount advanced of the new Bond or Loan resulting from the exchange shall be deemed to be equal to the aggregate Outstanding Principal Balance of the original obligation(s) that were tendered or exchanged (the "Original Obligation(s)") at the time of such exchange (determined without regard to market or trading value of the Original Obligation(s)); and
- (y) in the case of a Bond or Loan that is fungible with a prior debt obligation previously issued by the Reference Entity, such Bond or Loan shall be treated as having the same issue price or amount advanced as the prior debt obligation.

In circumstances where a holder would have received more than one obligation in exchange for the Original Obligation(s), the Calculation Agent will determine the allocation of the aggregate Outstanding Principal Balance of the Original Obligation(s) amongst each of the resulting obligations for the purpose of determining the issue price or amount advanced of the relevant Bond or Loan. Such allocation will take into account the interest rate, maturity, level of subordination and other terms of the obligations that resulted from the exchange and shall be made by the Calculation Agent in accordance with the methodology (if any) determined by the relevant Credit Derivatives Determinations Committee or, if none, as determined by the Calculation Agent in its sole and absolute discretion in such manner and by reference to such source(s) as it determines appropriate."

(b) Failure to Pay

The definition of "Failure to Pay" in Credit Linked Condition 12 (*Credit Linked Definitions*) is hereby deleted in its entirety and replaced with the following:

"Failure to Pay" means, after the expiration of any applicable Grace Period (after the satisfaction of any conditions precedent to the commencement of such Grace Period), the failure by the

Reference Entity to make, when and where due, any payments in an aggregate amount of not less than the Payment Requirement under one or more Obligations, in accordance with the terms of such Obligations at the time of such failure provided that, if an occurrence that would constitute a Failure to Pay (a) is a result of a redenomination that occurs as a result of action taken by a Governmental Authority which is of general application in the jurisdiction of such Governmental Authority and (b) a freely available market rate of conversion existed at the time of the redenomination, then such occurrence will be deemed not to constitute a Failure to Pay unless the redenomination itself constituted a reduction in the rate or amount of interest, principal or premium payable (as determined by reference to such freely available market rate of conversion) at the time of such redenomination. If "Credit Deterioration Requirement" is specified as applicable in the Applicable Pricing Supplement, then, notwithstanding the foregoing, it shall not constitute a Failure to Pay if such failure does not directly or indirectly either result from, or result in, a deterioration in the creditworthiness or financial condition of the Reference Entity, as determined by the Calculation Agent. In making such determination, the Calculation Agent may take into account the guidance note set out in paragraph 3 (Interpretive Guidance) of the ISDA 2019 Narrowly Tailored Credit Event Supplement to the 2014 ISDA Credit Derivatives Definitions (published on 15 July, 2019)."

19. ADDITIONAL PROVISIONS FOR SENIOR NON-PREFERRED REFERENCE OBLIGATIONS

If "Additional Provisions for Senior Non-Preferred Reference Obligations" is specified as applicable in the Applicable Pricing Supplement, the following provisions shall apply for the purpose of the Notes.

The following additional definitions are hereby inserted in alphabetical order in Credit Linked Condition 12 (*Credit Linked Definitions*):

(ii) Seniority Level

The definition of "Seniority Level" in Credit Linked Condition 12 (*Credit Linked Definitions*) is hereby deleted and replaced with the following:

20. AMENDMENTS IN ACCORDANCE WITH MARKET CONVENTION

The Calculation Agent may from time to time amend any provision of the General Conditions and Credit Linked Conditions and the Applicable Pricing Supplement in any manner which the Calculation Agent determines acting in good faith and in a commercially reasonable manner is necessary or desirable from the perspective of the Issuer, the Calculation Agent or any Affiliate of the Issuer hedging the Issuer's obligations in respect of the Notes (i) to incorporate and/or reflect (x) further or alternative documents or protocols from time to time published by ISDA with respect to the documentation, trading, clearing or settlement of credit derivative transactions and/or (y) the operation or application of determinations by the Credit Derivatives Determinations Committees and/or (ii) to reflect or account for market practice for credit derivative transactions whether pursuant to law or regulation, any agreement, protocol, supplement or statement of market practice published by ISDA, any change in the practice of leading dealers in the credit default swap market or otherwise. ANNEX 2

ADDITIONAL TERMS AND CONDITIONS FOR EQUITY LINKED NOTES

The terms and conditions applicable to Equity Linked Notes shall comprise the Terms and Conditions of the Notes set out above (the **General Conditions**) and the Additional Terms and Conditions for Equity Linked set out below (the **Equity Linked Conditions**), in each case subject to completion and/or amendment in the Applicable Pricing Supplement. In the event of any inconsistency between the General Conditions and the Equity Linked Conditions, the provisions of the Equity Linked Conditions will prevail. In the event of any inconsistency between (i) the General Conditions and/or the Equity Linked Conditions and (ii) the Applicable Pricing Supplement, the Applicable Pricing Supplement shall prevail.

1. EQUITY LINKED DEFINITIONS

In this Annex, unless inconsistent with the context or separately defined in the Applicable Pricing Supplement, the following expressions have the following meanings:

Asset Transfer Notice Cut-Off Date means as specified in the Applicable Pricing Supplement.

Averaging Date means each date specified as an Averaging Date in the Applicable Pricing Supplement or, if any such date is not a Scheduled Trading Day or a Scheduled Publishing Day, as applicable, the immediately following Scheduled Trading Day or Scheduled Publishing Day, as the case may be, unless, in the opinion of the Calculation Agent, any such day is a Disrupted Day. If any such day is a Disrupted Day:

- (a) if **Omission** is specified as applying in the Applicable Pricing Supplement, then such date will be deemed not to be an Averaging Date for the purposes of determining the Share Price of any relevant Share or the Value of any relevant Equity Index; provided that, if through the operation of this provision there would not be an Averaging Date, then the provisions of the definition of "Valuation Date" will apply for purposes of determining the relevant price of each relevant Share or the relevant Value of each relevant Equity Index on the final Averaging Date, as if such Averaging Date were a Valuation Date that was a Disrupted Day; or
- (b) if **Postponement** is specified as applying in the Applicable Pricing Supplement, then the provisions of the definition of "Valuation Date" will apply for the purposes of determining the Share Price of each relevant Share or the Value of any relevant Equity Index on that Averaging Date as if such Averaging Date were a Valuation Date that was a Disrupted Day irrespective of whether, pursuant to such determination, that deferred Averaging Date would fall on a day that already is or is deemed to be an Averaging Date; or
- (c) if **Modified Postponement** is specified as applying in the Applicable Pricing Supplement then:
 - (i) where the Equity Linked Notes relate to a single Share or a single Equity Index, the Averaging Date will be the first succeeding Valid Date. If the first succeeding Valid Date has not occurred as of the Valuation Time on the eighth Scheduled Trading Day or Scheduled Publishing Date, as the case may be, immediately following the original date that, but for the occurrence of another Averaging Date or Disrupted Day, would have been the final Averaging Date, then (A) that eighth Scheduled Trading Day or eighth Scheduled Publishing Date, as the case may be,

will be deemed the Averaging Date (irrespective of whether that eighth Scheduled Trading Day or eighth Scheduled Publishing Date, as the case may be, is already an Averaging Date), and (B) the Calculation Agent will determine the relevant price for the Share or the relevant value of the Index for that Averaging Date in accordance with sub-paragraph (a)(ii) of the definition of "Valuation Date" below; and

- (ii) where the Equity Linked Notes relate to a Basket of Shares or to a Basket of Equity Indices, the Averaging Date for each Share or each Equity Index, as the case may be, not affected by the occurrence of a Disrupted Day will be the originally designated Averaging Date (the **Scheduled Averaging Date**) and the Averaging Date for a Share or an Equity Index affected by the occurrence of a Disrupted Day will be the first succeeding Valid Date in relation to such Share or such Equity Index, as the case may be. If the first succeeding Valid Date in relation to such Share or such Index, as the case may be, has not occurred as of the Valuation Time on the eighth Scheduled Trading Day or eighth Scheduled Publishing Date, as the case may be, immediately following the original date that, but for the occurrence of another Averaging Date or Disrupted Day, would have been the final Averaging Date, then (A) that eighth Scheduled Trading Day or eighth Scheduled Publishing Date, as the case may be, will be deemed the Averaging Date (irrespective of whether that eighth Scheduled Trading Day or eighth Scheduled Publishing Date, as the case may be, is already an Averaging Date) in relation to such Share or such Equity Index, as the case may be, and (B) the Calculation Agent will determine the relevant price for that Share or the relevant value or level of that Equity Index, as the case may be, for that Averaging Date in accordance with sub-paragraph (b)(ii) of the definition of "Valuation Date" below,
- (iii) For the purposes of these Equity Linked Conditions **Valid Date** means, in respect of a Share a Scheduled Trading Day that is not a Disrupted Day and, in respect of an Equity Index, a Scheduled Publishing Date that is not a Disrupted Day and, in either case, on which another Averaging Date does not or is deemed not to occur.

Basket of Shares means, subject to adjustment in accordance with these Equity Linked Conditions, a basket composed of Shares of more than one Share Company, as specified in the Applicable Pricing Supplement.

Basket of Equity Indices means, subject to adjustment in accordance with these Equity Linked Conditions, a basket composed of more than one Equity Index, all as specified in the Applicable Pricing Supplement.

- (a) in respect of an Equity Index, each of the equity shares, securities, indices and derivative contracts that directly constitute the relevant Equity Index or that are directly referenced by the relevant Equity Index;
- (b) in respect of a Basket of Shares, each Share comprising the relevant Basket of Shares; and
- (c) in respect of a Basket of Indices, each of the Equity Indices comprising the Basket of Indices.

Disrupted Day means:

- (a) in respect of a Share, any Scheduled Trading Day on which a relevant Exchange or any Related Exchange fails to open for trading during its regular trading session or on which a Market Disruption Event has occurred;
- (b) in respect of an Equity Index, any Scheduled Publishing Day on which the Equity Index Sponsor fails to publish the Value of the Equity Index or any Related Exchange fails to open for trading during its regular trading session or on which a Market Disruption Event has occurred; and
- (c) in respect of a Component which is an equity share, the provisions in (i) above will be applicable and in respect of a Component which is an index, the provisions in (ii) will be applicable.

Early Closure means, in respect of a Share or a Component which is an equity share or a Component which is a derivative contract, the closure on any Exchange Business Day of any relevant Exchange or any Related Exchange(s) prior to its Scheduled Closing Time unless such earlier closing time is announced by such Exchange(s) or Related Exchange(s) at least one hour prior to the earlier of (i) the actual closing time for the regular trading session on such Exchange(s) or Related Exchange(s) on such Exchange Business Day, and (ii) the submission deadline for orders to be entered into the Exchange or Related Exchange system for execution at the Valuation Time, the Knock-in Valuation Time or the Knock-out Valuation Time, as the case may be, on such Exchange Business Day.

Equity Linked Note includes a Share Linked Note, a Share Basket Linked Note, an Equity Index Linked Note and an Equity Index Basket Linked Note.

Equity Index means in respect of an Equity Index Linked Note, subject to adjustment in accordance with these Equity Linked Conditions, the index, subject as provided in Equity Linked Condition 4 (*Equity Index Adjustment*), specified as such in the Applicable Pricing Supplement and related expressions are to be construed accordingly.

Equity Index Basket Linked Note means an Equity Linked Note which return is linked to a Basket of Equity Indices in the relative proportions specified in the Applicable Pricing Supplement.

Equity Index Linked Note means an Equity Linked Note which return is linked to an Equity Index as specified in the relevant Applicable Pricing Supplement.

Exchange means, in relation to a Share or a Component which is an equity share, each exchange or quotation system specified as such for such Share in the Applicable Pricing Supplement or, in respect of a Component which is an equity share, each exchange or quotation system on which that Component is principally traded, any successor to such exchange or quotation system or any substitute exchange or quotation system to which trading in the Share or the relevant Component has temporarily relocated (provided that the Calculation Agent has

determined that there is comparable liquidity relative to such Share or such Component on such temporary substitute exchange or quotation system as on the original Exchange).

Exchange Business Day means any Scheduled Trading Day on which each Exchange and each Related Exchange are open for trading during their respective regular trading sessions, notwithstanding any such Exchange or Related Exchange closing prior to its Scheduled Closing Time.

Exchange Disruption means any event (other than an Early Closure) that disrupts or impairs (as determined by the Calculation Agent) the ability of market participants in general (i) to effect transactions in, or obtain market values for, any Share or any Component which is an equity share on the Exchange or (ii) to effect transactions in, or obtain market values for, futures or options contracts relating to the Share or any Component which is a derivative contract on any relevant Related Exchange.

Final Observation Date means, in respect of a Share or an Equity Index, the date specified as such in the Applicable Pricing Supplement, being the date on which the Issuer will observe the final price of the Share or the final Value of the Equity Index, which date may be prior to the Maturity Date of the relevant Equity Linked Note.

Initial Observation Date means, in respect of a Share or an Equity Index, the date specified as such in the Applicable Pricing Supplement, being the date on which the Issuer will observe the initial price of the Share or the initial Value of the Equity Index, which date may be prior to the Trade Date or prior to the Issue Date of the relevant Equity Linked Note.

Observation Cut-Off Date means, in respect of a Scheduled Observation Date, the earlier of (i) the eighth Scheduled Trading Day or Scheduled Publishing Day, as applicable, immediately following the relevant Scheduled Observation Date, and (ii) the second Business Day immediately preceding the date of payment or delivery of any amount calculated in respect of such Observation Date pursuant to the definition of Observation Date or, if such Business Day is not a Scheduled Trading Day or a Scheduled Publishing Day, as applicable, the immediately preceding Scheduled Trading Day or Scheduled Publishing Day, as the case may be.

Observation Date means each date specified as such in the Applicable Pricing Supplement, or if such date is not a Scheduled Trading Day or Scheduled Publishing Day, as applicable, the first Scheduled Trading Day or Scheduled Publishing Day, as the case may be, thereafter unless, in either case, in the opinion of the Calculation Agent, such day is a Disrupted Day. If any such day is a Disrupted Day, then:

- (a) where the Equity Linked Note relates to a single Share, that Observation Date will be the first succeeding Scheduled Trading Day that is not a Disrupted Day, unless each of the Scheduled Trading Days immediately following the Scheduled Observation Date up to and including the Observation Cut-Off Date is a Disrupted Day. In that case, (i) the Observation Cut-Off Date will be deemed that Observation Date (notwithstanding the fact that such day is a Disrupted Day) and (ii) the Calculation Agent will determine the relevant Share Price in the manner set out in the Applicable Pricing Supplement or, if not set out or if not practicable, determine the relevant Share Price in accordance with its good faith estimate of the relevant price as of the Valuation Time on the Observation Cut-Off Date; or
- (b) where the Equity Linked Note relates to a Basket of Shares, that Observation Date for each Component not affected by the occurrence of a Disrupted Day will be the Scheduled Observation Date and that Observation Date for each Component affected (each an **Affected Component**) by the occurrence of a Disrupted Day will be the first

succeeding Scheduled Trading Day that is not a Disrupted Day relating to the Affected Component, unless each of the Scheduled Trading Days immediately following the Scheduled Observation Date up to and including the Observation Cut-Off Date is a Disrupted Day relating to the Affected Component. - (g) any other event having, in the reasonable opinion of the Calculation Agent, a diluting or concentrative effect on the theoretical value of the relevant Shares.

Following the declaration by the Share Company of the terms of any Potential Adjustment Event, the Calculation Agent will determine whether such Potential Adjustment Event has a diluting or concentrative effect on the theoretical value of the Shares or the Component Securities and, if so, will (i) make the corresponding adjustment(s), if any, to any one or more of the terms of the Terms and Conditions and/or the Applicable Pricing Supplement as the Calculation Agent determines appropriate to account for that diluting or concentrative effect (provided that no adjustments will be made to account solely for changes in volatility, expected dividends, securities lending rate or liquidity relative to the relevant Share or Component, as the case may be) and (ii) determine the effective date(s) of such adjustment(s). The Calculation Agent may, but need not, determine the appropriate adjustment by reference to the adjustment(s) in respect of such Potential Adjustment Event made by a Related Exchange to futures contracts and options contracts in respect of the relevant Shares or Component Securities, as the case may be, traded on that Related Exchange.

Merger Date means the closing date of a Merger Event or, where a closing date cannot be determined under the local law applicable to such Merger Event, such other date as determined by the Calculation Agent.

determined by the Calculation Agent, based upon the making of filings with governmental or self-regulatory agencies or such other information as the Calculation Agent deems relevant.

Tender Offer Date means, in respect of a Tender Offer, the date on which voting shares in the amount of the applicable percentage threshold are actually purchased or otherwise obtained (as determined by the Calculation Agent).

- (a) require the Calculation Agent to determine the appropriate adjustment, if any, to be made to any terms of the Terms and Conditions and/or the Applicable Pricing Supplement to account for the economic effect of Delisting, Merger Event, Tender Offer, Nationalisation or Insolvency, as the case may be, and determine the effective date of that adjustment. The Calculation Agent may (but need not) determine the appropriate adjustment by reference to the adjustment in respect of the Merger Event, Tender Offer, Delisting, Nationalisation or Insolvency made by any Related Exchange to futures contracts and/or options contracts in relation to the relevant Shares traded on that Related Exchange and the relevant adjustments may in the case of adjustments following a Merger Event or Tender Offer include, without limitation, adjustments to account for changes in volatility, expected dividends, securities lending rate or liquidity relevant to the affected Shares; or
- (b) where the Equity Linked Notes relate to a Basket of Shares on giving notice to the Noteholders in accordance with General Condition 17 (*Notices*), redeem each Note in part. If a Note is so redeemed in part, the portion (the **Partial Amount**) of each such Note representing the affected Share(s) will be redeemed and the Issuer will (x) pay to each Noteholder in respect of each Note held by such Noteholder an amount equal to the fair market value of the Partial Amount, taking into account the Merger Event, Tender Offer, Delisting, Nationalisation or Insolvency, as the case may be, less the cost to the Issuer and/or its Affiliates of unwinding any underlying related hedging arrangements, all as determined by the Calculation Agent; and (y) require the Calculation Agent to determine the appropriate adjustment, if any, to be made to any of the terms of the Terms and Conditions and/or the Applicable Pricing Supplement to account for such redemption in part. Following such partial redemption and for the avoidance of doubt, the remaining part of each such Note after partial redemption and adjustment will remain outstanding with full force and effect. Payments will be made in such manner as shall be notified to the Noteholders in accordance with General Condition 17 (*Notices*); or
- (c) give notice to the Noteholders in accordance with General Condition 17 (*Notices*) and redeem all, but not some, of the Equity Linked Notes, each Note to be redeemed at the Early Redemption Amount; or

effective as of the date determined by the Calculation Agent to be the effective date of the corresponding adjustment made by the Related Exchange. If at the relevant time no futures contracts and/or options contracts relating to the Shares are traded on the Related Exchange, the Calculation Agent may make such adjustment, if any, to any one or more of the terms of the Terms and Conditions and/or the Applicable Pricing Supplement as the Calculation Agent determines appropriate, with reference to the rules and precedents (if any) set by the Related Exchange to account for the Merger Event, Tender Offer, Delisting, Nationalisation or Insolvency, as the case may be, that in the determination of the Calculation Agent would have given rise to an adjustment by the Related Exchange if such futures contracts and/or options contracts were so traded; or

- (e) where the Equity Linked Notes relate to a Basket of Shares and if the Applicable Pricing Supplement provides that "Share Substitution" is applicable, then on or after the relevant Merger Date, Tender Offer Date, or the date of the Nationalisation, Insolvency or Delisting (as the case may be), the Calculation Agent may adjust the Basket of Shares to include a share (the **Substitute Shares**) selected by it in accordance with the criteria for share selection (**Share Substitution Criteria**) set out in the Applicable Pricing Supplement in place of the Share(s) (the **Affected Share(s)**) which are affected by such Merger Event, Tender Offer, Nationalisation, Insolvency or Delisting and the Substitute Shares will be deemed to be "Shares" and the relevant issuer of such shares, a "Share Company" for the purposes of the Notes, and the Calculation Agent will make such adjustment, if any, to any of the terms of the Terms and Conditions and/or the Applicable Pricing Supplement as the Calculation Agent determines appropriate.

Upon the occurrence of a Merger Event, Delisting, Nationalisation, Insolvency or, if applicable, Tender Offer, the Issuer will give notice as soon as practicable to the Noteholders in accordance with General Condition 17 (Notices), stating the occurrence of the Delisting, Merger Event, Tender Offer, Nationalisation or Insolvency, as the case may be, giving details thereof and the action proposed to be taken in relation thereto, provided that any failure to give, or non-receipt of, such notice will not affect the validity of any such Merger Event, Tender Offer, Delisting, Nationalisation or Insolvency, as the case may be, and/or any action taken by the Issuer in relation thereto.

6.2 If an Additional Disruption Event occurs, the Issuer in its sole and absolute discretion may take the action described in (a) or (b) below:

- (a) require the Calculation Agent to determine the appropriate adjustment, if any, to be made to any of the terms of the Terms and Conditions and/or the Applicable Pricing Supplement to account for the Additional Disruption Event and determine the effective date of that adjustment; or
- (b) give notice to Noteholders in accordance with General Condition 17 (*Notices*) and redeem all, but not some only, of the Notes, each Note being redeemed at the Early Redemption Amount.

Upon the occurrence of an Additional Disruption Event, the Issuer will give notice as soon as practicable to the Holders of the affected Equity Linked Notes in accordance with General Condition 17 (*Notices*), stating the occurrence of the relevant Additional Disruption Event giving details thereof and the action proposed to be taken in relation thereto provided that any failure to give, or non-receipt of, such notice will not affect the validity of the Additional Disruption Event or the action taken by the Issuer in relation thereto.

7. KNOCK-IN EVENT, KNOCK-OUT EVENT

If "Knock-in Event" is specified as applicable in the Applicable Pricing Supplement, then the payment and/or delivery obligations under the Equity Linked Notes relating to the occurrence of a Knock-in Event will be as set out in the Applicable Pricing Supplement.

If "Knock-out Event" is specified as applicable in the Applicable Pricing Supplement, then the payment and/or delivery obligations under the Equity Linked Notes relating to the occurrence of a Knock-out Event will be as set out in the Applicable Pricing Supplement.

Unless otherwise specified in the Applicable Pricing Supplement:

Knock-in Determination Day means the date(s) specified as such in the Applicable Pricing Supplement or, if any such date is not a Scheduled Trading Day or a Scheduled Publishing Day, as the case may be, the first succeeding Scheduled Trading Day or Scheduled Publishing Day, as the case may be, thereafter or, if not so specified, each Scheduled Trading Day or Scheduled Publishing Day, as the case may be, during the Knock-in Determination

Period, subject, in each case, as provided in Knock-in/Knock-out Disrupted Day Adjustments below.

Knock-in Determination Period means the period which commences on, and includes, the Knock-in Period Start Date and ends on, and includes, the Knock-in Period End Date.

Knock-in Event is as specified in the Applicable Pricing Supplement.

Knock-in/Knock-out Disrupted Day Adjustments means:

- (a) if the Knock-in Valuation Time or the Knock-out Valuation Time is a single time on each relevant day and any Knock-in Determination Day or Knock-out Determination Day is a Disrupted Day then, if "Knock-in/Knock-out Determination Day consequences of a Disrupted Day" is specified in the Applicable Pricing Supplement as:
 - (i) **Omission**, then such date will be deemed not to be a Knock-in Determination Day or Knock-out Determination Day for the purposes of determining whether a Knock-in Event or a Knock-out Event has occurred, as applicable; provided that if the Knock-in Period End Date or the Knock-out Period End Date is a Disrupted Day and no Knock-in Event or Knock-out Event has occurred in the Knock-in Determination Period or Knock-out Determination Period, the Knock-in Period End Date or Knock-out Period End Date, as applicable, will be treated as a Valuation Date and the provisions of the definition of "Valuation Date" will apply for the purposes of determining the relevant price of a Share or the relevant Value of an Equity Index on the Knock-in Period End Date or Knock-out Period End Date, as applicable, as if such Knock-in Period End Date or Knock-out Period End Date, as applicable, were a Valuation Date that was a Disrupted Day and the Calculation Agent will determine the relevant price of the relevant Share or the relevant Value of the relevant Equity Index in respect of such day in accordance with such provisions (as such provisions may be amended for these purposes in the Applicable Pricing Supplement, for example but without limitation, in respect of the time at which any subsequent valuation(s) is/are made) for the purpose of determining whether a Knock-in Event or Knock-out Event will occur; or
 - (ii) **Postponement**, then the provisions of the definition of "Valuation Date" will apply for the purposes of determining the relevant price of a Share or the relevant Value of an Equity Index, as the case may be, on that Knock-in Determination Day or Knock-out Determination Day as if such Knock-in Determination Day or Knock-out Determination Day, as the case may be, were a Valuation Date that was a Disrupted Day and the Calculation Agent will determine the relevant price of the relevant Share or the relevant Value of the relevant Equity Index in respect of such day in accordance with such provisions (as such provisions may be amended for these purposes in the Applicable Pricing Supplement, for example but without limitation, in respect of the time at which any subsequent valuation(s) is/are made) for purposes of determining whether a Knock-in Event or Knock-out Event will occur; or
- (b) if the Knock-in Valuation Time or the Knock-out Valuation Time specified in the Applicable Pricing Supplement is other than a single time on each relevant

day and if on any Knock-in Determination Day or Knock-out Determination Day as of any Knock-in Valuation Time or Knock-out Valuation Time a Knock-in Event or Knock-out Event has or would have occurred but the conditions for a Disrupted Day have been satisfied at such time then, if "Knock-in/Knock-out intraday valuation consequences of disruption" is specified in the Applicable Pricing Supplement as:

- (i) **Omission**, then such Knock-in Valuation Time or the Knock-out Valuation Time, as the case may be, will be ignored for purposes of determining whether a Knock-in Event or a Knock-out Event has occurred, provided that if no Knock-in Event or Knock-out Event has occurred in the Knock-in Determination Period or Knock-out Determination Period and the conditions for a Disrupted Day are satisfied as of the last occurring Knock-in Valuation Time or Knock-out Valuation Time on the Knock-in Period End Date or Knock-out Period End Date, as applicable, then such day will be treated as a Valuation Date and the provisions of the definition of "Valuation Date" will apply for the purposes of determining the relevant price of the Share or the relevant Value of the Equity Index on the Knock-in Period End Date or Knock-out Period End Date, as applicable, as if such Knock-in Period End Date or Knock-out Period End Date, as applicable, were a Valuation Date that was a Disrupted Day and the Calculation Agent will determine the relevant price of the relevant Share or the relevant Value of the Equity Index in respect of such day in accordance with such provisions (as such provisions may be amended for these purposes in the Applicable Pricing Supplement, for example but without limitation, in respect of the time at which any subsequent valuation(s) is/are made) for the purpose of determining whether a Knock-in Event or Knock-out Event will occur; or
- (ii) **Materiality**, then (i) where the Calculation Agent determines that the relevant event or occurrence giving rise to such Disrupted Day is not material for the purposes of determining the price of the Share or the Value of the Equity Index, as the case may be, as of such time, the Knock-in Event or Knock-out Event, as applicable, may occur notwithstanding such event or occurrence, or (ii) where the Calculation Agent determines that the relevant event or occurrence giving rise to such Disrupted Day is material for the purposes of determining the price of the Share or the Value of the Equity Index, as the case may be, as of such time, then the Knock-in Event or the Knock-out Event will be deemed not to have occurred at such time provided that if no Knock-in Event or Knock-out Event has occurred in the Knock-in Determination Period or Knock-out Determination Period and the conditions for a Disrupted Day are satisfied as of the last occurring Knock-in Valuation Time or Knock-out Valuation Time on the Knock-in Period End Date or Knock-out Period End Date, as applicable, then such day will be treated as a Valuation Date and the provisions of the definition of "Valuation Date" will apply for the purposes of determining the relevant price of the Share or the relevant Value of the Equity Index, as the case may be, on the Knock-in Period End Date or Knock-out Period End Date, as applicable, as if such Knock-in Period End Date or Knock-out Period End Date, as applicable, were a Valuation Date that was a Disrupted Day and the Calculation Agent will determine the relevant

price of the Share or the relevant Value of the Equity Index, as the case may be, in respect of such day in accordance with such provisions (as such provisions may be amended for these purposes in the Applicable Pricing Supplement, for example but without limitation, in respect of the time at which any subsequent valuation(s) is/are made) for the purpose of determining whether a Knock-in Event or Knock-out Event will occur.

Knock-in Level means, in respect of a Share, the price of the Share specified as such or otherwise determined as provided in the Applicable Pricing Supplement and means in respect of an Equity Index, the Value of the Equity Index specified as such or otherwise determined as provided in the Applicable Pricing Supplement.

Knock-in Period End Date means the date specified as such in the Applicable Pricing Supplement or, if such date is not a Scheduled Trading Day or a Scheduled Publishing Day, as the case may be, the next following Scheduled Trading Day or Scheduled Publishing Day, as the case may be, or, if earlier, the second Business Day immediately preceding the date of payment or delivery of any amount calculated pursuant to the applicable Knock-in Event provisions or, if such Business Day is not a Scheduled Trading Day or a Scheduled Publishing Day, as the case may be, the immediately preceding Scheduled Trading Day or Scheduled Publishing Day, as the case may be.

Knock-in Period Start Date means the date specified as such in the Applicable Pricing Supplement or, if such date is not a Scheduled Trading Day or a Scheduled Publishing Day, as the case may be, the next following Scheduled Trading Day or Scheduled Publishing Day, as the case may be.

Knock-in Valuation Time means the time or period of time on any Knock-in Determination Day specified as such in the Applicable Pricing Supplement or, if no such time is so specified, the Valuation Time, for which purposes references in the definition of Valuation Time to "Valuation Date", will be deemed to be to "Knock-in Determination Day".

Knock-out Determination Day means the date(s) specified as such in the Applicable Pricing Supplement, or, if any such date is not a Scheduled Trading Day or a Scheduled Publishing Day, as the case may be, the first succeeding Scheduled Trading Day or Scheduled Publishing Day, as the case may be, thereafter or each Scheduled Trading Day or Scheduled Publishing Day, as the case may be, during the Knock-out Determination Period, subject, in each case, as provided in Knock-in/Knock-out Disrupted Day Adjustments above.

Knock-out Determination Period means the period which commences on, and includes, the Knock-out Period Start Date and ends on, and includes, the Knock-out Period End Date.

Knock-out Event is as specified in the Applicable Pricing Supplement.

Knock-out Level means, in respect of a Share, the price of the Share specified as such or otherwise determined as provided in the Applicable Pricing Supplement and means in respect of an Equity Index, the Value of the Equity Index specified as such or otherwise determined as provided in the Applicable Pricing Supplement.

Knock-out Period End Date means the date specified as such in the Applicable Pricing Supplement or, if such date is not a Scheduled Trading Day or a Scheduled Publishing Day, as the case may be, the next following Scheduled Trading Day or Scheduled Publishing Day, as the case may be, or, if earlier, the second Business Day immediately preceding the date of payment or delivery of any amount calculated pursuant to the applicable Knock-out Event

provisions or, if such Business Day is not a Scheduled Trading Day or a Scheduled Publishing Day, as the case may be, the immediately preceding Scheduled Trading Day or Scheduled Publishing Day, as the case may be.

Knock-out Period Start Date means the date specified as such in the Applicable Pricing Supplement or, if such date is not a Scheduled Trading Day or a Scheduled Publishing Day, as the case may be, the next following Scheduled Trading Day or Scheduled Publishing Day, as the case may be.

Knock-out Valuation Time means the time or period of time on any Knock-out Determination Day specified as such in the Applicable Pricing Supplement or, if no such time is so specified, the Valuation Time for which purposes, references in the definition of Valuation Time to "Valuation Date", will be deemed to be to "Knock-out Determination Day".

8. OPTION TO VARY SETTLEMENT

The Issuer has an option to vary settlement in respect of the Equity Linked Notes and the Issuer may at its sole and unfettered discretion in respect of each such Equity Linked Note elect not to pay the relevant Noteholders the Final Redemption Amount, but, in lieu thereof, deliver or procure delivery of the Shares or the Basket of Shares on the Maturity Date to the relevant Noteholders, as the case may be ("**Physical Settlement**"). Notification of such election will be given to Noteholders in accordance with General Condition 17 (*Notices*). In instances where Physical Settlement is contemplated, the particulars of the Physical Settlement process will be specified in the Applicable Pricing Supplement.

9. FUTURES PRICE VALUATION

- 9.1 If "Futures Price Valuation" is specified to apply in relation to a Share or an Equity Index in the Applicable Pricing Supplement, in respect of such Share or Equity Index, as the case may be, the following amendments will apply to these Equity Linked Conditions:

For the purposes of determining whether a day is a Scheduled Trading Day where Futures Price Valuation applies in relation to any Share or Equity Index, a Scheduled Trading Day or Scheduled Publishing Day, as the case may be, must be a day on which the Official Settlement Price is published by the relevant Related Exchange in relation to the relevant Share or Equity Index to which Futures Price Valuation applies.

The Disrupted Day provisions in these Equity Linked Conditions will not apply in relation to any Share or Equity Index in respect of which Futures Price Valuation applies, unless there is a Non-Commencement or Discontinuance of the Exchange-traded Contract, in which case the Disrupted Day provisions will apply to the relevant Share or Equity Index.

For these purposes:

Exchange-traded Contract means, in relation to a Share or an Equity Index, a futures or options contract specified as such for the Share or the relevant Equity Index in the Applicable Pricing Supplement, in each case, identified by reference to (a) the Share or the Equity Index to which it relates, (b) the delivery month of such contract, and (c) the Related Exchange on which the relevant contract is traded.

Non-Commencement or Discontinuance of the Exchange-traded Contract means there is no Official Settlement Price as a result of the fact that trading in the Exchange-

traded Contract never commences or is permanently discontinued at any time on or prior to a Valuation Date, Observation Date, Averaging Date or other date for valuation or observation, as the case may be, of the relevant Share or the relevant Equity Index, as the case may be.

Official Settlement Price means, the official settlement price (however described under the rules of the relevant Related Exchange or its clearing house) of the relevant Exchange-traded Contract published by the Related Exchange or its clearing house and as determined by the Calculation Agent.

Related Exchange means, in respect of a Share or an Equity Index, the relevant exchange specified in the description of the Exchange-traded Contract for such Share or Equity Index, as the case may be, in the Applicable Pricing Supplement.

Share Closing Price means, in relation to the relevant Share and any Scheduled Trading Day, the Official Settlement Price on such day.

Index Closing Value means in relation to the relevant Equity Index and any Scheduled Publishing Day, the Official Settlement Price on such day.

9.2 Adjustments of the Exchange-traded Contract

If the terms of the relevant Exchange-traded Contract are changed or modified by the relevant Related Exchange, the Calculation Agent may make the appropriate adjustment, if any, to the Terms and Conditions and/or the Applicable Pricing Supplement to account for such change or modification.

9.3 Non-Commencement or Discontinuance of the Exchange-traded Contract

Where there is a Non-Commencement or Discontinuance of the Exchange-traded Contract, the Official Settlement Price for any Valuation Date, Observation Date, Averaging Date or any other relevant date for valuation or observation, as the case may be, of the relevant Share or the relevant Equity Index, as the case may be, will be deemed to be the Share Closing Price of the relevant Share or the Index Closing Value, as the case may be, at the close of the regular trading session on the relevant Exchange on the Valuation Date, Observation Date, Averaging Date or other relevant date.

9.4 Corrections of the Official Settlement Price

If the Official Settlement Price for any Valuation Date, Observation Date, Averaging Date or any other date for valuation or observation, as the case may be, in relation to the relevant Share or Equity Index (an **Exchange-traded Contract Relevant Calculation**) is subsequently corrected and the correction (the **Corrected Official Settlement Price**) is published by the relevant Related Exchange no later than two Business Days prior to the date of payment or delivery of any amount calculated by reference to the Exchange-traded Contract Relevant Calculation then the Corrected Official Settlement Price will be deemed to be the Share Closing Price for such Share or the Index Closing Value for such Equity Index, as the case may be, on such Valuation Date, Averaging Date, Observation Date or other relevant date, as the case may be, and the Calculation Agent will use such Corrected Official Settlement Price in determining the relevant amount payable or deliverable.

ANNEX 3

ADDITIONAL TERMS AND CONDITIONS FOR FX LINKED NOTES

The terms and conditions applicable to FX Linked Notes shall comprise the Terms and Conditions of the Notes set out above (the "**General Conditions**") and the Additional Terms and Conditions for FX Linked Notes set out below (the "**FX Linked Note Conditions**"), in each case subject to replacement or modification to the extent specified in the Applicable Pricing Supplement. In the event of any inconsistency between the General Conditions and the FX Linked Note Conditions, the FX Linked Note Conditions shall prevail. In the event of any inconsistency between (i) the General Conditions and/or the FX Linked Note Conditions and (ii) the Applicable Pricing Supplement, the Applicable Pricing Supplement, shall prevail.

1. CURRENCY VALUATION AND DISRUPTION PROVISIONS

(a) Disruption Events

If so specified in the Applicable Pricing Supplement, the occurrence of any of the following events, in respect of any Base Currency, Subject Currency and/or Subject Currencies, shall be a "**Disruption Event**":

- (i) Price Source Disruption;
- (ii) Illiquidity Disruption;
- (iii) Dual Exchange Rate;
- (iv) General Inconvertibility;
- (v) General Non-Transferability;
- (vi) Material Change in Circumstance;
- (vii) Nationalisation;
- (viii) Price Materiality;
- (ix) Benchmark Obligation Default;
- (x) Governmental Authority Default;
- (xi) Inconvertibility/Non-Transferability;
- (xii) Specific Inconvertibility;
- (xiii) Specific Non-Transferability; and/or

any other event that, in the opinion of the Calculation Agent, is analogous to any of sub-paragraphs (i) to (xiii) above (inclusive).

The Calculation Agent shall give notice as soon as reasonably practicable to Noteholders in accordance with General Condition 17 (*Notices*) of the occurrence of a Disrupted Day on any day that but for the occurrence of the Disrupted Day would have been either (x) any Averaging Date or the Settlement Price Date; or (y) the Due Date, as the case may be.

(b) **Consequences of a Disruption Event**

Upon the Calculation Agent determining that a Disruption Event has occurred or is continuing on either the Due Date, any Averaging Date or Settlement Price Date, as the case may be (or, if different, the day on which prices for that date would, in the ordinary course, be published by the relevant FX Price Source), the Calculation Agent, in determining the consequences of the Disruption Event:

(i) shall:

- (A) apply the applicable Disruption Fallback where the applicable Disruption Event is any Disruption Event other than Illiquidity Disruption, Dual Exchange Rate and/or Material Change in Circumstance; or
- (B) apply Calculation Agent Determination where the applicable Disruption Event is Illiquidity Disruption and/or Dual Exchange Rate; or
- (C) where the applicable Disruption Event is Material Change in Circumstance, determine that on giving notice to Noteholders in accordance with General Condition 17 (*Notices*), the Issuer shall redeem all but not some only of the Notes, each Note being redeemed by payment of an amount equal to the Calculated FX Disruption Amount;

or

- (ii) shall, if an Averaging Date or Settlement Price Date is a Disrupted Day but is not the Redemption Valuation Date, and if Delayed Redemption on the Occurrence of a Disruption Event is specified as being Not Applicable in the Applicable Pricing Supplement, determine that on giving notice to Noteholders in accordance with General Condition 17 (*Notices*), the Issuer shall redeem all but not some only of the Notes, each Note being redeemed by payment of an amount equal to the Calculated FX Disruption Amount. Payment shall be made in such manner as shall be notified to the Noteholders in accordance with General Condition 17 (*Notices*); or
- (iii) shall, if an Averaging Date or Settlement Price Date is a Disrupted Day but is not the Redemption Valuation Date, and if Delayed Redemption on the Occurrence of a Disruption Event is specified as being Applicable in the Applicable Pricing Supplement, determine that on the Maturity Date the Issuer shall redeem each Note at an amount calculated by the Calculation Agent equal to (x) the Calculated FX Disruption Amount calculated on the Calculated FX Disruption Amount Determination Date plus interest accrued on the Calculated FX Disruption Amount on a daily basis from and including the Calculated FX Disruption Amount Determination Date to but excluding the Maturity Date, each such daily accrual rate being at a rate equal to the Issuer's funding cost on or about the relevant day or (y) if greater, its nominal amount; or
- (iv) shall, if an Averaging Date or Settlement Price Date is a Disrupted Day but is not the Redemption Valuation Date, and if (i) Delayed Redemption on the Occurrence of a Disruption Event is specified as being not applicable in the

Applicable Pricing Supplement and (ii) FX Deliverable Obligations is specified in the Applicable Pricing Supplement, determine that on giving notice to Noteholders in accordance with General Condition 17 (*Notices*) (an "**FX Deliverable Obligations Redemption Notice**"), the Issuer shall redeem all but not some only of the Notes, each Note being redeemed by:

- (A) Delivery of the FX Deliverable Obligations comprising the FX Entitlement to the FX Designated Transferee on or before the FX Physical Settlement Date, subject to and in accordance with FX Linked Note Condition 1(f) (*Physical delivery*); or
 - (B) payment of the FX Entitlement Fair Market Value. Payment shall be made in such manner as shall be notified to the Noteholders in accordance with General Condition 17 (*Notices*); or
- (v) shall, if an Averaging Date or Settlement Price Date is a Disrupted Day but is not the Redemption Valuation Date, and if (i) Delayed Redemption on the Occurrence of a Disruption Event is specified as being applicable in the Applicable Pricing Supplement and (ii) FX Deliverable Obligations is specified in the Applicable Pricing Supplement, determine that on the Maturity Date the Issuer shall redeem each Note at an amount calculated by the Calculation Agent equal to (x) the FX Entitlement Fair Market Value plus interest accrued on the FX Entitlement Fair Market Value on a daily basis from and including the FX Entitlement Valuation Date to but excluding the Maturity Date, each such daily accrual rate being at a rate equal to the Issuer's funding cost on or about the relevant day or (y) if greater, its nominal amount.

In such circumstances the Issuer shall give notice to the Noteholders in accordance with General Condition 17 (*Notices*) (a "**Disruption Event Action Notice**") specifying which of the above actions the Calculation Agent has determined shall be taken (for the avoidance of doubt, where notice of redemption is given pursuant to the above, the Disruption Event Action Notice may form part of such notice). Failure to give a Disruption Event Action Notice shall not constitute an Event of Default or invalidate any action taken pursuant to the above.

If the Notes are to be redeemed pursuant to sub-paragraph (iv) above, the FX Deliverable Obligations Redemption Notice will also describe the FX Deliverable Obligations comprising the FX Entitlement that the Issuer reasonably expects to Deliver or be valued. The Issuer may, from time to time, amend an FX Deliverable Obligations Redemption Notice by delivering a notice to Noteholders in accordance with General Condition 17 (*Notices*), (each such notification, an "**FX Deliverable Obligations Redemption Amendment Notice**") that the Issuer is replacing, in whole or in part, one or more FX Deliverable Obligations specified in the FX Deliverable Obligations Redemption Notice or a prior FX Deliverable Obligations Redemption Amendment Notice, as applicable (to the extent the relevant FX Deliverable Obligation has not been Delivered as of the date such FX Deliverable Obligations Redemption Amendment Notice is effective). An FX Deliverable Obligations Redemption Amendment Notice shall specify each replacement FX Deliverable Obligation that will comprise the FX Entitlement (each, a "**Replacement FX Deliverable Obligation**") and shall also specify the outstanding principal balance of each FX Deliverable Obligation identified in the FX Deliverable Obligations Redemption Notice or a prior FX Deliverable Obligations Redemption Amendment Notice, as applicable, that is being replaced (with respect to each such

FX Deliverable Obligation, the "**Replaced FX Deliverable Obligation Outstanding Amount**"). The aggregate outstanding principal balance of the Replacement FX Deliverable Obligation(s), taken together, shall be at least equal to the aggregate of each Replaced FX Deliverable Obligation Outstanding Amount. Each such FX Deliverable Obligations Redemption Amendment Notice must be effective on or prior to the FX Physical Settlement Date (determined without reference to any change resulting from such FX Deliverable Obligations Redemption Amendment Notice) or FX Entitlement Valuation Date, as applicable. Notwithstanding the foregoing, the Issuer may correct any errors or inconsistencies contained in the FX Deliverable Obligations Redemption Notice or any FX Deliverable Obligations Redemption Amendment Notice, as applicable, by notice to the Noteholders in accordance with General Condition 17 (*Notices*), prior to the relevant FX Delivery Date or FX Entitlement Valuation Date, as applicable, it being understood that any such notice of correction shall not constitute an FX Deliverable Obligations Redemption Amendment Notice.

For the avoidance of doubt, the Calculation Agent shall be entitled to select any of the FX Deliverable Obligations to constitute the FX Entitlement, irrespective of their market value.

In the event that the Notes become redeemable in accordance with this FX Linked Note Condition 1(b) (*Consequences of a Disruption Event*), upon Delivery of the FX Deliverable Obligations or payment of the relevant cash amount (as determined in accordance with the provisions of this FX Linked Note Condition 1(b) (*Consequences of a Disruption Event*)), as applicable, the Issuer shall have discharged its obligations in respect of the Notes and shall have no other liability or obligation whatsoever in respect thereof. The value of such FX Deliverable Obligations or cash amount may be less than the nominal amount of a Note. Any shortfall shall be borne by the Noteholders and no liability shall attach to the Issuer.

(c) **Unscheduled Holiday**

If the Calculation Agent determines that a date that would otherwise have been a Settlement Price Date or Averaging Date is an Unscheduled Holiday in respect of a Subject Currency, then such date shall be the immediately succeeding Scheduled Trading Day after the occurrence of the Unscheduled Holiday, subject as provided above, and provided that if such Settlement Price Date or Averaging Date, as the case may be, has not occurred on or before the Maximum Days of Postponement then the next Business Day after such period that would have been a Scheduled Trading Day but for the Unscheduled Holiday shall be deemed to be the relevant date for valuation and the Settlement Price shall be determined by the Calculation Agent on such day in its sole and absolute discretion acting in good faith, having taken into account relevant market practice and by reference to such additional source(s) as it may deem appropriate.

(d) **Cumulative Events**

If "Cumulative Events" is specified as applicable in the Applicable Pricing Supplement in respect of a Subject Currency then, in no event shall the total number of consecutive calendar days during which a Settlement Price Date or Averaging Date is deferred due to either (i) an Unscheduled Holiday or (ii) an Valuation Postponement (or a combination of both (i) and (ii)) exceed the Maximum Cumulative Days of Postponement in the aggregate. If a Settlement Price Date or Averaging Date, as the case may be, is postponed by the number of calendar days

equal to the Maximum Cumulative Days of Postponement and at the end of such period (i) an Unscheduled Holiday has occurred or is continuing on the day immediately following such period (the "**Final Day**"), then such Final Day shall be deemed to be the Settlement Price Date or Averaging Date, as the case may be, and (ii) if a Price Source Disruption has occurred or is continuing on the Final Day, then Valuation Postponement shall not apply and the Settlement Price shall be determined in accordance with the next applicable Disruption Fallback.

(e) **Postponement of payment or settlement days**

Where a Settlement Price Date or Averaging Date is postponed as a consequence of either (i) an Unscheduled Holiday; or (ii) a Valuation Postponement (or a combination of both (i) and (ii)), then the corresponding date for payment shall be postponed to the later of (a) the date for such payment otherwise determined in accordance with the Applicable Pricing Supplement and (b) the day falling the Number of Postponement Settlement Days specified in the Applicable Pricing Supplement (or, if none are so specified, two Business Days) after the last occurring Settlement Price Date or Averaging Date, as the case may be.

(f) **Physical delivery**

If the Notes are to be redeemed by Delivery of the FX Deliverable Obligations comprising the FX Entitlement in accordance with FX Linked Note Condition 1(b)(iv)(A) above, in order to obtain Delivery of the FX Entitlement in respect of any Note the relevant Noteholder must deliver to the Principal Paying Agent within 5 (five) Business Days of the FX Deliverable Obligations Redemption Notice Delivery Date (the "**FX Cut-Off Date**"), a duly completed FX Asset Transfer Notice as referred to below together with, where applicable, the Certificates relating to the Notes. No FX Asset Transfer Notice may be withdrawn after receipt thereof. Where applicable, no transfers of the Notes the subject thereof will be effected by the Principal Paying Agent after delivery of an FX Asset Transfer Notice.

Forms of the FX Asset Transfer Notice may be obtained during normal business hours from the specified office of each Paying Agent.

An FX Asset Transfer Notice shall:

- (i) specify the name of the Noteholder;
- (ii) specify the name, physical and postal address and the banking and securities safe custody account details of the FX Designated Transferee;
- (iii) specify the Nominal Amount of Notes which are the subject of such notice;
- (iv) irrevocably instruct and authorise the Principal Paying Agent to cancel the relevant Notes and Certificates;
- (v) authorise the production of such notice in any applicable administrative or legal proceedings; and
- (vi) either (i) include an undertaking to pay all FX Delivery Expenses on or prior to the FX Delivery Expenses Cut-off Date; or (ii) instruct the Issuer to deduct from the FX Entitlement FX Deliverable Obligations with a market value determined by the Calculation Agent equal to the FX Delivery Expenses.

Noteholders should note that if they elect to pay all FX Delivery Expenses but have not done so on or prior to the FX Delivery Expenses Cut-off Date, notwithstanding such election, the relevant FX Delivery Expenses will be deducted in the calculation of the FX Entitlement as provided in the definition thereof.

Failure to properly complete and deliver an FX Asset Transfer Notice and, where applicable, the relevant Certificates, may result in such notice being treated as null and void. Any determination as to whether such notice has been properly completed and delivered shall be made by the Principal Paying Agent in its sole and absolute discretion and shall be binding on the relevant Noteholder and the Issuer.

Upon receipt of a duly completed FX Asset Transfer Notice, the Principal Paying Agent shall, in the case of Registered Notes, verify that the person specified in the notice as the Noteholder is the holder of the Note referred to therein according to the Register and in the case of Bearer Notes, the Principal Paying Agent may for all purposes regard the person disclosed as the Noteholder in the FX Asset Transfer Notice as the holder of the Note and the Principal Paying Agent shall not be required to perform any further verification or confirmation as to the identity of the holder of the Note.

The FX Deliverable Obligations comprising the FX Entitlement in respect of each Note will be Delivered at the risk of the relevant Noteholder in such commercially reasonable manner as the Calculation Agent shall in its sole discretion determine and the Issuer shall notify to the FX Designated Transferee or in such manner as specified in the Applicable Pricing Supplement. Any FX Designated Transferee other than the Noteholder shall be deemed to be the duly authorised agent of the Noteholder and any Delivery or payment to such person shall be deemed for all purposes to be a Delivery or payment to the Noteholder and shall satisfy the Issuer's obligations in respect thereof. Such person shall not be entitled to enforce any of the Noteholder's rights against the Issuer and the Issuer shall have no liability or obligation to or in respect of the FX Designated Transferee. By delivery of an FX Asset Transfer Notice, the Noteholder shall be deemed to represent that the FX Designated Transferee has agreed to the foregoing.

If the FX Asset Transfer Notice and where applicable, the relevant Certificates, are delivered to the Issuer later than close of business on the FX Cut-Off Date, then the FX Deliverable Obligations comprising the FX Entitlement in respect of the relevant Notes will be Delivered as soon as practicable after the date on which the duly completed FX Asset Transfer Notice is received, at the risk of the relevant Noteholder in the manner provided above. For the avoidance of doubt, such Noteholder shall not be entitled to any payment or to other assets, whether in respect of interest or otherwise, in the event of such later Delivery of the FX Deliverable Obligations comprising the FX Entitlement and such later Delivery shall not constitute an Event of Default.

If the Noteholder fails to deliver an FX Asset Transfer Notice in the manner set out herein or, where applicable, fails to deliver the Certificates related thereto within one calendar year of the FX Deliverable Obligations Redemption Notice Delivery Date, the Issuer shall be discharged from its obligations in respect of such Notes and shall have no further obligation or liability whatsoever in respect thereof.

Until Delivery of the FX Deliverable Obligations comprising the FX Entitlement is made, the Issuer or any person holding such assets on behalf of the Issuer shall continue to be the legal owner of those assets. After Delivery of the FX Deliverable

Obligations comprising the FX Entitlement and for the Intervening Period, none of the Issuer, the Calculation Agent nor any other person shall at any time (i) be under any obligation to deliver or procure delivery to the Noteholder or its FX Designated Transferee of any letter, certificate, notice, circular or any other document or payment whatsoever received by that person in respect of the securities or obligations included in such FX Entitlement, (ii) be under any obligation to exercise or procure the exercise of any or all rights (including voting rights) attaching or appertaining to such securities or obligations included in such FX Entitlement or (iii) be under any liability to a Noteholder for any loss, liability, damage, cost or expense that such Noteholder may sustain or suffer as a result, whether directly or indirectly, of that person being registered during such Intervening Period as legal owner of such securities or obligations included in such FX Entitlement.

Where the FX Entitlement is, in the determination of the Issuer, an amount other than an amount of FX Deliverable Obligation(s) capable of being Delivered at the relevant time, (i) the Issuer shall not Deliver and the relevant Noteholder shall not be entitled to receive in respect of its Notes that fraction of a FX Deliverable Obligation which is less than a whole number (the "**Fractional Entitlement**") and (ii) the Issuer shall pay to the relevant Noteholder a cash amount (to be paid at the same time as Delivery of the FX Deliverable Obligations comprising the FX Entitlement) equal to the fair market value (as determined by the Calculation Agent) of such Fractional Entitlement.

The costs, taxes, duties and/or expenses (including stamp duty, securities transfer tax and/or other costs, taxes or expenses) (the "**FX Delivery Expenses**") of effecting any Delivery of the FX Deliverable Obligations comprising the FX Entitlement (except for the expenses of delivery by uninsured mail (if any) which shall be borne by the Issuer) shall, in the absence of any provision to the contrary in the Applicable Pricing Supplement, be borne by the relevant Noteholder and shall, unless otherwise specified in the Applicable Pricing Supplement, be:

If, due to an event beyond the control of the Issuer, it is impossible or illegal to Deliver any FX Deliverable Obligations comprising an FX Entitlement (the "**FX Undeliverable Obligations**") on the FX Physical Settlement Date (including without limitation, as a result of failure of the relevant clearance system or due to any law, regulation or court order, contractual restrictions, statutory restrictions or market conditions), then the Issuer shall Deliver or procure the Delivery of the FX

In that case, the Calculation Agent will determine the action to be taken under the Notes, including whether or not the Issuer will continue to attempt to Deliver the FX Undeliverable Obligations, and the future terms applicable to the Notes. 1. Additional Fallbacks

1.1 Substitute or Successor Benchmark

If the Calculation Agent determines that an Index Cessation/Benchmark Event has occurred or is existing on any day, the Calculation Agent shall (or, in the case of a Non-Representativeness Event or a Methodology Change Event, may), in its sole and absolute discretion, select a substitute or successor benchmark that the Calculation Agent determines is comparable to the Relevant Benchmark to replace such Relevant Benchmark, and shall replace such Relevant Benchmark by such substitute or successor benchmark, as the case may be, with effect from such date as determined by the Calculation Agent, and such substitute or successor benchmark, as the case may be will be deemed to be such Relevant Benchmark with effect from such date. The Calculation Agent may make such adjustment(s) that it determines to be appropriate, if any, to any one or more of the terms of the Notes including without limitation, any variable or term relevant to the settlement or payment under the Notes, as the Calculation Agent determines appropriate to account for such replacement. If, in respect of a Relevant Benchmark, the Calculation Agent determines that it is unable to identify any substitute or successor benchmark that is comparable to the Relevant Benchmark, the Calculation Agent may determine that the Notes shall be redeemed, in which case the Issuer will cause to be paid to each Noteholder in respect of each Note held by it an amount equal to the Early Redemption Amount in redemption of the Notes.

1.2 Inability to determine the relevant rate following application of all applicable fallbacks

In the event that, following the application of each of the fallbacks set out in the definitions of any Relevant Benchmark, and, if applicable, subject to the application of the Substitute or Successor Benchmark provisions above, the Calculation Agent is unable to determine the Relevant Benchmark, then the Calculation Agent may determine that the Notes shall be redeemed, in which case the Issuer will cause to be paid to each Noteholder in respect of each Note held by it an amount equal to the Early Redemption Amount in redemption of the Notes.

2. Administrator/Benchmark Event

If the Calculation Agent determines that an Administrator/Benchmark Event has occurred or is existing on any day in respect of the Notes and a Relevant Benchmark, the Calculation Agent may

For the avoidance of doubt, a Non-Approval Event shall not occur if the Relevant Benchmark or the administrator or sponsor of the Relevant Benchmark is not included in an official register because its authorisation, registration, recognition, endorsement, equivalence decision or approval is suspended if, at the time of such suspension, the continued provision and use of the Relevant Benchmark is permitted in respect of the Notes under the applicable law or regulation during the period of such suspension;

 - (ii) the Relevant Benchmark or the administrator or sponsor of the Relevant Benchmark is removed from any official register where inclusion in such register is required under any applicable law or regulation in order for the Issuer or the Calculation Agent to perform its or their respective obligations in respect of the Notes.

approval is suspended or where inclusion in any official register is withdrawn if, at the time of such suspension or withdrawal, the continued provision and use of the Relevant Benchmark is permitted in respect of the Notes under the applicable law or regulation during the period of such suspension or withdrawal.

Clearing System Accountholders

Each Global Note will be in bearer or registered form. In relation to any Tranche of Notes represented by a Global Note in bearer form, references in the Terms and Conditions of the Notes to "Noteholder" are references to the bearer of the relevant Global Note which, for so long as the Global Note is held by a depositary or a common depositary will be that depositary or common depositary.

In relation to any Tranche of Notes represented by a Global Registered Note Certificate, references in the Terms and Conditions of the Notes to "Noteholder" are references to the registered holder of the relevant Global Registered Note Certificate which, for so long as the Global Registered Note Certificate is held by or on behalf of a depositary or a common depositary for Euroclear and/or Clearstream, Luxembourg and/or any other relevant clearing system, will be that depositary or common depositary or a nominee for that depositary or common depositary.

Each of the persons shown in the records of Euroclear and/or Clearstream, Luxembourg and/or any other relevant clearing system as being entitled to an interest in a Global Registered Note Certificate (each an "**Accountholder**") must look solely to Euroclear and/or Clearstream, Luxembourg and/or such other relevant clearing system (as the case may be) for such Accountholder's share of each payment made by the Issuer to the registered holder of such Global Registered Note Certificate and in relation to all other rights arising under the Global Registered Note Certificate. The extent to which, and the manner in which, Accountholders may exercise any rights arising under the Global Registered Note Certificate will be determined by the respective rules and procedures of Euroclear and Clearstream, Luxembourg and any other relevant clearing system from time to time. For so long as the relevant Notes are represented by the Global Registered Note Certificate, Accountholders shall have no claim directly against the Issuer in respect of payments due under the Notes and such obligations of the Issuer will be discharged by payment to the registered holder of the Global Registered Note Certificate.

Conditions applicable to Global Notes and Global Registered Note Certificates

Each Global Note and Global Registered Note Certificate will contain provisions which modify the Terms and Conditions of the Notes as they apply to the Global Note or Global Registered Note Certificate. The following is a summary of certain of those provisions:
